

**IN THE DISTRICT COURT OF HUGHES COUNTY
STATE OF OKLAHOMA**

Kristina Stacy Kawulok, on behalf of herself
and all others similarly situated,

Plaintiff,

v.

JMA Energy Company, L.L.C.,

Defendant.

Case No. CJ-2019-50

STIPULATION AND AGREEMENT OF SETTLEMENT

This Stipulation and Agreement of Settlement (hereinafter, including all exhibits attached hereto and/or provided for herein referred to collectively as the “Settlement Agreement”) is entered into between Kristina Stacy Kawulok (“Plaintiff”), on behalf of herself and all others similarly situated, and JMA Energy Company, L.L.C. (“Defendant”). Plaintiff and Defendant are collectively referred to as the “Parties.” The settlement expressed in this Settlement Agreement is conditioned upon the terms and conditions set forth in this Settlement Agreement, including but not limited to the Court (1) approving this Settlement Agreement; and (2) entering the orders and judgments in material conformance described herein, as more fully described below:

WHEREAS, the above-styled action (the “Litigation”) was commenced on September 24, 2019, with Plaintiff’s filing of the Original Petition;

WHEREAS, Plaintiff has made certain claims against Defendant, as more fully described in the Original Petition;

WHEREAS, in response to the Original Petition, Defendant filed an Answer and asserted a Counterclaim against Plaintiff;

WHEREAS, Plaintiff and Plaintiff's Counsel have prosecuted the Litigation for over six (6) years, which has included production of documents and data, research, accounting review and analysis, consultation by and with experts, settlement negotiations, damage modeling, and other investigations and preparation;

WHEREAS, Plaintiff and Plaintiff's Counsel acknowledge that, during the course of their prosecution of the Litigation, they have received, examined, and analyzed information, documents, and materials they deem necessary and appropriate to enable them to enter into this Settlement Agreement on a fully-informed basis. After such examination and analysis, based on the experience of Plaintiff's Counsel and their experts and consultants, Plaintiff and Plaintiff's Counsel have concluded that the terms and conditions of this Settlement Agreement are fair, reasonable, adequate, and in the best interests of the Settlement Class and Plaintiff;

WHEREAS, Plaintiff agreed to settle the claims asserted against Defendant in the Litigation pursuant to this Settlement Agreement after considering: (1) the substantial benefits Class Members will receive from resolution of such claims, (2) the risks of litigating those claims, and (3) the desirability of permitting the Settlement to be consummated as provided by the terms of this Settlement Agreement;

WHEREAS, Defendant agrees that further prosecution and defense of the claims against it in this Litigation would be protracted and expensive. Defendant has evaluated the uncertainty and risks inherent in any such litigation and has determined that it is desirable to compromise and settle the claims against it in the Litigation;

WHEREAS, Defendant has adamantly denied, and continues to deny, Plaintiff's claims against it and any and all liability to Plaintiff and the Settlement Class, and has vigorously defended against those claims; and

WHEREAS, Defendant enters into this Settlement Agreement without admitting any liability whatsoever, and solely to avoid further expense, inconvenience, and the disruption of defending against the claims asserted against it in the Litigation and to be completely free of any further controversy with respect to the claims that were asserted or could have been asserted against it in the Litigation, as more fully described herein.

NOW THEREFORE, in consideration of the payments, mutual promises, agreements, undertakings, releases, and other terms and provisions of this Settlement Agreement, the sufficiency of which is hereby acknowledged by all Parties hereto, Defendant and Plaintiff, on behalf of herself and the Settlement Class, stipulate and agree as follows, subject to the approval of the Court, without admission of any liability or wrongdoing, and in consideration of the benefits set forth herein, that all Released Claims (defined below) shall be fully, finally, and forever compromised, settled, released, and discharged, and the Litigation shall be dismissed with prejudice, upon and subject to the following terms and conditions.

1. The Settlement Class is to be substantially defined as follows:

The Class claims relate to the correctness and adequacy of royalty payments and/or non-payments for gas and its constituents produced in any form, including, but not limited to, residue gas, casinghead gas, natural gas liquids, helium, nitrogen, drip condensate, and gas used on or off the lease premises.

Except as expressly excluded from the Settlement Class as set forth above, the Parties intend the Settlement Class to be construed as broadly as possible to include all persons or entities that otherwise meet the definition of the Settlement Class.

2. Consideration

2.1. The Parties agree to settle the Litigation as set forth herein. In exchange for Plaintiff’s releases, covenants, and agreements in the Settlement, both on their behalf and on behalf of the Settlement Class Members, Defendant agrees to provide Plaintiff and Settlement Class Members the Gross Settlement Fund.

2.2. Defendant shall pay the Gross Settlement Fund to the Settlement Administrator no later than March 27, 2026. The Parties shall propose to the Court that the Final Fairness Hearing occur after this date and payment.

2.3. Except for Defendant’s obligation to make the payment called for by paragraph 2.2, neither Defendant, the Released Parties, nor Defendant’s Counsel shall have any liability to Plaintiff, Plaintiff’s Counsel, or the Settlement Class with respect to the Gross Settlement Fund or its administration, including but not limited to any distributions made by the Settlement Administrator. If Defendant fails to pay the amount of the Gross Settlement Fund to the Settlement Administrator within the time specified above in paragraph 2.2, such amount will accrue compounded annual interest at the rate of Twelve Percent (12%) beginning on the date in which payment is due and ending when the Gross Settlement Fund is paid to the Settlement Administrator.

2.4. The Parties agree that the Settlement of the Released Claims is supported by adequate consideration and the Parties’ agreements, releases, and covenants herein.

2.5. Class Members who have not timely and properly submitted a Request for Exclusion and are not excluded from the Settlement Class by Order of the Court agree, in

consideration of the agreements of Defendant in this Settlement Agreement, to give the Release, Dismissal and Covenant Not to Sue described in paragraph 4, below.

3. Plan of Notice and Court Approvals

3.1. No later than fourteen (14) days following the execution of the Settlement Agreement, Plaintiff shall file a motion with the Court seeking preliminary approval of the Settlement, which motion shall include the proposed Preliminary Approval Order, in substantially the form attached hereto as Exhibit 1, which will, *inter alia*: (a) certify the Settlement Class for the purposes of this Settlement only; (b) preliminarily approve the Settlement as set forth in this Settlement Agreement; (c) approve the Notice of Settlement and Plan of Notice; and (d) direct the Settlement Administrator to provide the Notice of Settlement to the Settlement Class in accordance with the Plan of Notice or in any other manner the Court may direct in accordance with OKLA. STAT. tit., 12, § 2023.

3.2. No later than seven (7) days following entry of the Preliminary Approval Order, to the extent not already provided to Plaintiff's Counsel, Defendant shall provide Plaintiff's Counsel with the names, last known addresses, and taxpayer identification numbers for Class Members to the extent such information is presently within Defendant's possession. Such information, hereinafter referred to as the Class Member Information, shall be provided in the same form or format as is maintained by Defendant or at Defendant's option in another reasonable form or format. Defendant agrees to cooperate in providing this data to Plaintiff's Counsel and understands that the deadlines set forth in this Settlement Agreement are based in part on Defendant's timely provision of this data to Plaintiff's Counsel.

3.3. After the Preliminary Approval Order is entered and prior to sending the Notice of Settlement, the Settlement Administrator shall make reasonable efforts to: (a) verify the last known

addresses of potential Class Members provided by Defendant pursuant to paragraph 3.2; and (b) locate current addresses of any potential Class Members for whom Defendant has not provided an address.

3.4. No later than thirty (30) days after entry of the Preliminary Approval Order, or at such time as is ordered by the Court, the Settlement Administrator will mail (or cause to be mailed) the postcard Notice of Settlement by mail (Exhibit 3) to all Class Members who have been identified after reasonable efforts to do so and will post on the settlement website the Notice of Settlement (Exhibit 4). The postcard Notice of Settlement (Exhibit 3) will be mailed to Class Members using the data described in paragraph 3.2 above and any updated addresses found by the Settlement Administrator. No later than ten (10) days after the Notice is mailed, or at such time as is ordered by the Court, the Settlement Administrator also shall publish (or cause to be published) the summary Notice of Settlement (Exhibit 5) one time in each of the following newspapers: (a) *The Oklahoman*, a paper of general circulation in Oklahoma; and (b) *The Tulsa World*, a paper of general circulation in Oklahoma. Within ten (10) days after mailing the postcard Notice of Settlement and continuing through the date of the Final Fairness Hearing, the Settlement Administrator also will display (or cause to be displayed) on an Internet website dedicated to this Settlement the following documents: (a) the Notice of Settlement, (b) the Original Petition, (c) this Settlement Agreement, (d) the Preliminary Approval Order, and (e) other publicly filed documents related to approval of the Settlement. Neither Defendant, Defendant's Counsel, the Released Parties, Plaintiff, the Settlement Class, nor Plaintiff's Counsel shall have any liability for failure of the Notice of Settlement to reach any Class Member.

3.5. No later than twenty-eight (28) calendar days prior to the Final Fairness Hearing, if the Settlement has not been terminated pursuant to this Settlement Agreement, Plaintiff's Counsel and Plaintiff shall move for: (a) final approval of the Settlement pursuant to Okla. Stat. tit. 12, §

2023(E); (b) entry of a Judgment in substantially the same form as Exhibit 2 attached hereto; (c) final approval of the Allocation Methodology and Initial Plan of Allocation; and (d) approval of Plaintiff's Attorneys' Fees, reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and/or a Case Contribution Award. The Parties will request the Court to hold a Final Fairness Hearing as described in the Notice of Settlement, and to then enter Judgment, and specifically approving all terms and provisions of the Settlement, including the Allocation Methodology and Final Plan of Allocation; provided, however, that Defendant will take no position on the Allocation Methodology nor any Plan of Allocation implementing the Allocation Methodology.

4. Release, Dismissal, and Covenant Not to Sue

4.1. Upon the Effective Date, the Released Parties, individually and collectively, shall be fully, finally, and forever released from the Released Claims of the Class Members and other Releasing Parties who are not excluded from the Settlement Class by virtue of a timely and properly submitted Request for Exclusion or other Court order, and such Releasing Parties shall be enjoined from asserting or prosecuting any Released Claims against any Released Parties.

4.2. Upon the Effective Date, and for the consideration provided for herein, each and every Class Member who has not timely and properly submitted a Request for Exclusion and who is not otherwise excluded from the Settlement Class (a) agrees and covenants that, in addition to the foregoing release of the Released Claims, he, she, or it shall not, at any time, directly or indirectly, on the Class Member's behalf, sue, institute, or assert against the Released Parties any claims or actions on or concerning the Released Claims, and (b) acknowledges that the foregoing covenant shall apply and have effect by virtue of this Settlement Agreement and by operation of the Judgment. Each Class Member who has not timely and properly submitted a Request for Exclusion and/or who is not excluded from the Settlement Class further agrees and acknowledges

that the covenants not to sue provided for in this paragraph are made to inure to the benefit of, and are specifically enforceable by, each of the Released Parties.

4.3. The Judgment approving the Settlement Agreement shall dismiss the Released Claims asserted in the Litigation with prejudice. However, any continuing obligations under this Settlement Agreement shall survive the entry of the Judgment. The Court, along with any appellate court with power to review the Court's orders and rulings in the Litigation, will retain exclusive and continuing jurisdiction over this Litigation for purposes of administering this Settlement Agreement and any issues associated therewith.

5. Settlement Account and Payment of Taxes

5.1. All funds held by the Settlement Administrator shall be deemed to be in the custody of the Court and shall remain subject to the jurisdiction of the Court until such time as the funds shall be distributed or returned pursuant to the terms of this Settlement Agreement and/or further order of the Court. Unless otherwise agreed to in writing between Defendant and Plaintiff's Counsel, the Settlement Administrator shall deposit the funds in an interest-bearing account until the Court enters a Distribution Order. All risks related to the investment of the Gross Settlement Fund, and any risk of loss of the fund deposited with the Settlement Administrator or any distribution account maintained by the Settlement Administrator after the Court enters the Distribution Order, shall be borne by the Gross Settlement Fund alone and not by Plaintiff, Plaintiff's Counsel, Defendant, Defendant's Counsel, or the Settlement Administrator.

5.2. The Parties agree that the Gross Settlement Fund is intended to be a qualified settlement fund within the meaning of Treasury Regulation § 1.468B-1, and that the Settlement Administrator, as administrator of the settlement account within the meaning of Treasury Regulation § 1.468B-2(k)(3), shall be solely responsible for timely filing or causing to be filed all informational and other tax returns as may be necessary or appropriate (including, without

limitation, the returns described in Treasury Regulation § 1.468B-2(k)). All taxes on the income earned on the settlement funds shall be paid out as provided herein. The Settlement Administrator shall also be solely responsible for causing payment to be made from the Gross Settlement Fund of any taxes owed with respect to the Gross Settlement Fund. The Settlement Administrator, as administrator of the Gross Settlement Fund within the meaning of Treasury Regulation § 1.468B-2(k)(3), shall timely make such elections as are necessary or advisable to carry out this paragraph; including, as necessary, making a “relation back election,” as described in Treasury Regulation § 1.468B-1(j), to cause the qualified settlement fund to come into existence at the earliest allowable date, and shall take or cause to be taken all actions as may be necessary or appropriate in connection therewith.

5.3. Any tax returns prepared for the Gross Settlement Fund (as well as the election set forth therein) shall be consistent with the Settlement Agreement and in all events shall reflect that all taxes (including any interest or penalties) on the income earned by the Gross Settlement Fund shall be paid out of the Gross Settlement Fund as provided herein. The Gross Settlement Fund shall indemnify and hold all Released Parties, Defendant, Defendant’s Counsel, Plaintiff, and Plaintiff’s Counsel harmless for any taxes and related expenses of any kind whatsoever; including, without limitation, taxes payable by reason of any such indemnification on income earned while the Gross Settlement Fund (or any portion thereof) is in any account maintained by the Settlement Administrator, including a distribution account after the Court enters the Distribution Order. The Parties shall notify the Settlement Administrator promptly if they receive any notice of any claim for taxes relating to the Gross Settlement Fund.

5.4. All income taxes, if any, incurred on the part of the Class Members in connection with the implementation of this Settlement Agreement shall be reported and paid by the individual Class Members to the extent of their individual tax liability on proceeds they individually receive.

Except for any amounts withheld for tax purposes by the Settlement Administrator, the individual Class Members are solely responsible for the payment of any taxes attributable to payments to them under this Settlement Agreement. Plaintiff, Plaintiff's Counsel, Defendant, Defendant's Counsel, the Released Parties, the Gross Settlement Fund, and the Settlement Administrator shall have no responsibility or liability whatsoever for any such taxes. Defendant, Defendant's Counsel, the Released Parties, and the Class Members will bear no responsibility for any taxes due on Plaintiff's Attorney's Fees, any reimbursement of Litigation Expenses or Administration, Notice, and Distribution Costs, or any Case Contribution Award, and such taxes will not be paid from the Net Settlement Fund.

5.5. All distributions shall be subject to any required federal or state income tax withholding, which the Settlement Administrator shall be entitled to withhold and pay to the appropriate taxing authorities. The Settlement Administrator shall provide IRS Form 1099s or other explanations of payments to Class Members sufficient to allow Class Members to know that proper tax payments have been or can be made or to allow them to submit requests for refunds. In the event Distribution Checks are not cashed or are returned to the Settlement Administrator, such that the Class Members do not receive payment of the amounts distributed, the Settlement Administrator shall make reasonable efforts to identify a correct address for such Class Members and shall request a refund to the taxing authority to whom any withheld taxes were paid on behalf of the Class Member who did not receive payment. The Parties and their Counsel shall have no liability for any filed IRS Form 1099s. The Gross Settlement Fund shall indemnify and hold all Released Parties, Defendant, Defendant's Counsel, Plaintiff, and Plaintiff's Counsel harmless for any penalties and related expenses of any kind whatsoever associated with any filed IRS Form 1099s. The Parties shall notify the Settlement Administrator promptly if they receive any notice of any claim for penalties relating to a filed IRS Form 1099.

5.6. The Parties agree that Defendant, Defendant's Counsel, the Released Parties, Plaintiff, and Plaintiff's Counsel have no responsibility or liability for any severance taxes or other taxes that may be due on the amounts disbursed to the Class Members.

5.7. In the event Defendant is required to pay any taxes or assessments attributable to the Class Members, including any applicable interest or penalties, each Class Member will indemnify Defendant and the Released Parties as to the taxes, assessments, interest, and penalties attributable to such Class Member paid by Defendant. Without limitation of the foregoing, Defendant shall be entitled to recover from each Class Member that portion of such taxes or assessments, interest, and penalties attributable to the portion of the Net Settlement Fund allocated to such Class Member by any lawful means available to Defendant, including deduction or offset from any future payments to the Class Member. Defendant's Counsel shall not have any responsibility or liability whatsoever for any taxes or assessments, interest, or penalties on amounts distributed to a Class Member. Plaintiff and Plaintiff's Counsel shall not have any responsibility or liability whatsoever for any taxes or assessments, interest, or penalties on amounts distributed to a Class Member.

5.8. Plaintiff, Plaintiff's Counsel, Defendant, Defendant's Counsel, and the Settlement Administrator do not provide any tax advice whatsoever and shall have no liability whatsoever for any taxes or assessments due, if any, on the Gross Settlement Fund and make no representation or warranty regarding the tax treatment of any amount paid or received under this Settlement. Any Class Member with tax questions or concerns is urged to immediately contact his/her/its own tax adviser. Defendant will have no input in determining the amount of taxes payable by the Settlement Class or how the taxes will be paid from the Gross Settlement Fund and likewise will not be bound in any respect by such determination or be attributed with any agreement as to whether the taxes paid by the Settlement Class are due or payable.

5.9. The Released Parties shall have no responsibility for, interest in, or liability whatsoever with respect to the maintenance, investment, or distribution of the Net Settlement Fund, the establishment or maintenance of the settlement account, or any distribution account maintained by the Settlement Administrator after the Court enters the Distribution Order, the payment or withholding of any taxes, or any other expenses or losses in connection with such matters.

5.10. Subject to paragraph 6.7 regarding up to Seventy-Five Thousand Dollars (\$75,000.00) in Administration, Notice, and Distribution Costs, before making any distribution, the Settlement Administrator and/or Plaintiff's Counsel must request and receive approval from the Court. The request for distribution shall include the amount of the distribution, a summary of the items included in the proposed distribution, and any supporting evidence necessary for the Court to verify that the amount comports with the terms of the Settlement and any applicable Court order.

6. Claims Administration, Allocation, and Distribution of Net Settlement Fund

6.1. The Allocation Methodology is a matter separate and apart from the proposed Settlement between Plaintiff and Defendant and is to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of this Settlement. Provided that none of the terms of the Settlement are modified by such decision, any decision by the Court concerning the Allocation Methodology shall not affect the validity or finality of the Settlement or operate to terminate or cancel this Settlement or affect the finality of the Judgment. Further, after the issuance of any notice contemplated by this Settlement Agreement or ordered by the Court, the Allocation Methodology may be modified without any further notice being required, provided the modification is approved by the Court.

6.2. Plaintiff's Counsel shall, subject to Court approval, allocate the Net Settlement Fund to individual Class Members proportionately based upon the volume of gas produced for

each Class Member during the Claim Period. No distributions will be made to Class Members who would otherwise receive a distribution of Five Dollars (\$5.00) or less under the Final Plan of Allocation. This *de minimis* threshold is set in order to preserve the overall Net Settlement Fund from the costs of claims that are likely to exceed the value of those claims. It has been determined by Plaintiff's Counsel that Five Dollars (\$5.00) is a reasonable *de minimis* threshold. A Class Member that falls into this category may request to be excluded from this Litigation as described in this Settlement Agreement or otherwise will be bound by the Settlement Agreement and all provisions thereof despite receiving no payment under the Final Plan of Allocation. In the event the Court declines to approve the Five Dollar (\$5.00) *de minimis* payment provision contained in this paragraph, such refusal will not be grounds to disturb or terminate the Settlement Agreement by any Party. Instead, Plaintiff's Counsel will submit an alternative plan of allocation that does not include the Five-Dollar (\$5.00) *de minimis* payment provision contained in this paragraph. Plaintiff will utilize any information provided by Defendant to direct any allocation to Class Members for the Claim Period. This allocation is subject to modification by Plaintiff's Counsel and final approval by the Court. Defendant and the Released Parties shall have no responsibility or obligations whatsoever for the preparation of the allocation and/or the distribution of the Gross Settlement Fund or Net Settlement Fund. Defendant and the Released Parties shall not, under any circumstances, be liable for any claims by, through, or under any Class Member, Plaintiff's Counsel, the Settlement Administrator, or any third party relating to the allocation or distribution of the Gross Settlement Fund or Net Settlement Fund and any and all such claims are hereby released. This includes but is not limited to any claims that a Class Member should have been allocated and distributed a different amount of the Gross Settlement Fund or Net Settlement Fund than it actually received or than provided by any plan of allocation. Defendant and the Released Parties will be indemnified by any Class Member asserting any such claims (or by, through, or

under whom such claims are asserted) from and against any losses, liabilities, costs, and expenses, including attorneys' fees, arising out of or relating to the assertion of any such claims and all such claims are hereby released by the Class Members.

6.3. No later than twenty-eight (28) days prior to the Final Fairness Hearing, Plaintiff's Counsel will provide an initial Plan of Allocation to Defendant, subject to extension if Defendant has not provided all of the data it is obligated to provide pursuant to paragraph 3.2 above. The initial Plan of Allocation will reflect the amount of the Distribution Check to be sent to each Class Member based upon (a) data provided by Defendant pursuant to paragraph 3.2 above; (b) the assumption that no Class Member timely and properly submits a Request for Exclusion from the Settlement Class or is excluded from the Settlement Class by other order of the Court; and (c) the assumption that Plaintiff's Counsel's application for Plaintiff's Attorneys' Fees, reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and a Case Contribution Award will be approved. Plaintiff's Counsel may rely on the data provided by Defendant pursuant to paragraph 3.2 above for purposes of the initial Plan of Allocation and is under no obligation to independently verify such data. Plaintiff will submit for approval by the Court the initial Plan of Allocation based on the provisions of this section as part of or in conjunction with the Final Fairness Hearing.

6.4. Within sixty (60) days after the Effective Date, Plaintiff will file and seek approval of a distribution order with the Court, assuming the Plan of Allocation has been approved by the Court ("Distribution Order"). The Distribution Order will indicate the proportionate amount of the Net Settlement Fund to be paid to each Class Member pursuant to the Allocation Methodology and the Plan of Allocation. The Distribution Order will authorize the Settlement Administrator to transfer the Net Settlement Fund to a distribution account for further distribution to Class Members.

6.5. Within thirty (30) days after the Effective Date, the Settlement Administrator will (a) refund from the Net Settlement Fund to Defendant the amount attributable to Class Members in the Initial Plan of Allocation who timely and properly submitted a Request for Exclusion or who were otherwise excluded from the Settlement Class by additional order of the Court.

6.6. The Settlement Administrator shall administer the Settlement and distribute the Net Settlement Fund under Plaintiff's Counsel's supervision in accordance with this Settlement Agreement and subject to the jurisdiction of the Court. Plaintiff, Defendant, and their respective Counsel shall cooperate in the administration of the Settlement to the extent reasonably necessary to effectuate its terms. The Net Settlement Fund shall be distributed to Class Members, except those who have timely and properly submitted a Request for Exclusion or are otherwise excluded from the Settlement Class, according to the Plan of Allocation, as determined by Plaintiff's Counsel, or according to such other plan of allocation and distribution order(s) as the Court approves. Further, to the extent Defendant has not provided the taxpayer identification number for a Class Member, the Settlement Administrator shall make reasonable efforts to obtain the Class Member's tax identification number, including making reasonable inquiry and sending a form W-9 Request for Taxpayer Identification Number and Certification to the best reasonably obtainable address of the Class Member.

6.7. The Gross Settlement Fund shall not be distributed without Court approval. However, Defendant agrees that up to Seventy-Five Thousand Dollars (\$75,000.00) of the Gross Settlement Fund may be used for Administration, Notice, and Distribution Costs, so long as the Court grants the Preliminary Approval Order. If the Court does not grant the Preliminary Approval Order, the entirety of the Gross Settlement Fund, with any accrued interest, shall be returned to Defendant within twenty (20) days of the Court's denial of approval at Defendant's election. In the event the Settlement is not finally approved by the Court in substantially similar form as that jointly

proposed by the Parties or the Judgment does not become Final and Non-Appealable, the Gross Settlement Fund shall be returned to Defendant within twenty (20) days of the occurrence of such non-approval at Defendant's election, less up to Seventy-Five Thousand Dollars (\$75,000.00) in reasonably incurred Administration, Notice, and Distribution costs incurred prior to such date, and Plaintiff agrees to provide reasonable support for such costs if requested.

6.8. After Court approval of the Plan of Allocation and entry of a Distribution Order, the Settlement Administrator will make prompt distribution of funds to those ordered by the Court to receive those funds. The Settlement Administrator will only make distributions based on the Plan of Allocation and Distribution Order approved by the Court. It is contemplated that distributions may be made in waves, where using that approach is more efficient for the Settlement Administrator, so that payments to readily identified owners are not unduly delayed. The Settlement Administrator will make a diligent effort to mail the first Distribution Checks within ninety (90) days after the entry of the Distribution Order. The Settlement Administrator will make a diligent effort to distribute the remainder of the Net Settlement Fund to Class Members who have not timely and properly submitted a Request for Exclusion and who are not excluded from the Settlement Class within six (6) months after the Distribution Order. Any portion of the Net Settlement Fund remaining after the void date for each Distribution Check, and after all reasonable administration efforts are concluded, shall be considered Residual Unclaimed Funds.

6.9. The Settlement Administrator will use commercially reasonable efforts, subject to review and approval by Plaintiff's Counsel, to distribute the Net Settlement Fund. Defendant will provide all reasonably accessible information in its possession to assist in locating Class Members who have not timely and properly submitted a Request for Exclusion and who are not excluded from the Settlement Class by Order of the Court. If the information needed to send a Distribution Check cannot be obtained through such efforts, the portion of the Net Settlement Fund attributable

to such Class Member will remain in the distribution account maintained by the Settlement Administrator as Residual Unclaimed Funds.

6.10. If a Distribution Check is returned to the Settlement Administrator under circumstances suggesting the Class Member did not receive the Distribution Check (e.g., a mailed item returned due to an incorrect, insufficient, or outdated address), the Settlement Administrator and/or consultants working with the Settlement Administrator will use commercially reasonable methods to locate an updated address and will re-issue and re-mail the Distribution Check. If the information needed to send a Distribution Check cannot be obtained through such efforts, the portion of the Net Settlement Fund attributable to such Class Member will remain in the distribution account maintained by the Settlement Administrator as Residual Unclaimed Funds.

6.11. Included with each Distribution Check shall be an enclosure that includes the following notice (or, if a change is required by the Court, a notice substantially the same as the following):

Class Member: The enclosed check represents a share of the net settlement fund in the settlement of the Class Action *Kawulok v. JMA Energy, L.L.C.*, No. CJ-19-50, District Court of Hughes County, Oklahoma. You are receiving this distribution and check because you have been identified as a Class Member in this action. If you are not legally entitled to the proceeds identified on the check, the Court has entered an Order that requires you to pay these proceeds to persons legally entitled thereto or return this check uncashed to the sender.

The person to whom this check was originally made payable, and anyone to whom the check has been assigned by that person, has accepted this payment pursuant to the terms of the Settlement Agreement, Notice of Settlement, and Judgment related thereto, which releases, *inter alia*, Defendant and the other Released Parties (as defined in the Settlement Agreement) from any and all Released Claims (as defined in the Settlement Agreement). Pursuant to the Order of the Court, it is the duty of the payee of the check to ensure that the funds are paid to the Class Member(s) entitled to the funds, and the release by Class Member(s) entitled to the funds shall be effective regardless of whether such Class Member(s) receive some, all, or none of the proceeds paid to a payee of a settlement check.

This check shall be null and void if not endorsed and negotiated within ninety (90) days after its date. The release of claims provided in the settlement shall be effective regardless of whether this check is cashed.

6.12. Defendant, Defendant's Counsel, the Released Parties, the Settlement Administrator, Plaintiff, and Plaintiff's Counsel shall have no liability to any Class Member for mispayments, overpayments, or underpayments of the Net Settlement Fund.

6.13. Upon completing all distributions of the Net Settlement Fund (including any necessary supplemental distributions as set forth above in paragraphs 6.8 through 6.10), complying with the Court's order(s) in furtherance of this Settlement, and distributing the Residual Unclaimed Funds pursuant to the Court's order(s), the Settlement Administrator will have satisfied all obligations relating to the payment and distribution of the Net Settlement Fund.

6.14. To the extent not specifically addressed above, any other amount of the Net Settlement Fund that remains in the distribution account one (1) calendar year after the Settlement Administrator sends the final wave of Distribution Checks shall be considered Residual Unclaimed Funds.

6.15. Within one (1) calendar year after the Settlement Administrator sends the final wave of Distribution Checks, the Settlement Administrator shall send a reconciliation of the Residual Unclaimed Funds to Plaintiff's Counsel. The reconciliation must include (a) a detail of each distribution made; (b) the detail of any interest or other returns earned; (c) the total Residual Unclaimed Funds and detail sufficient to verify that total; and (d) detail showing the total amount of the Administration, Notice, and Distribution Costs paid.

6.16. Within ten (10) business following receipt of this information, Plaintiff shall move the Court for distribution of the Residual Unclaimed Funds to Defendant.

6.17. The Court shall retain jurisdiction to determine any issues relating to the payment and distribution of the Net Settlement Fund, and any claims relating thereto shall be determined by

the Court alone, and shall be limited to a determination of the claimant's entitlement to any portion of the Net Settlement Fund, and no consequential, punitive, or other damages, fees, interest, or costs shall be awarded in any proceeding regarding any such determination.

6.18. The Release, Dismissal, and Covenant Not to Sue shall be effective as provided in this Settlement Agreement, regardless of whether or not particular members of the Settlement Class did or did not receive payment from the Net Settlement Fund and regardless of whether or not any Class Member who was obligated pursuant to the Judgment to pay some or all of the distributed funds to another Class Member in fact made such payment to such other member of the Settlement Class. The failure of a Class Member to receive a payment from the Net Settlement Fund or the failure of a Class Member to make payment to another Class Member pursuant to the payment obligations of the Judgment shall not be a defense to enforcement of the release of the Released Claims against the Released Parties or the Covenant Not to Sue, as to any Class Member.

6.19. Except in the case of willful and intentional malfeasance of a dishonest nature directly causing such loss, Plaintiff's Counsel, Plaintiff, the Settlement Class, Defendant's Counsel, the Released Parties, and Defendant shall have no liability for loss of any portion of any funds under any circumstances and, in the event of such malfeasance, only the party whose malfeasance directly caused the loss has any liability for the portion of funds lost.

7. Plaintiff's Attorneys' Fees, Case Contribution Award, Litigation Expenses, and Administration, Notice, and Distribution Costs

7.1. No later than twenty-eight (28) calendar days prior to the Final Fairness Hearing, Plaintiff's Counsel may apply to the Court for an award of Plaintiff's Attorneys' Fees to Plaintiff's Counsel, a Case Contribution Award to Plaintiff, and for reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs. Defendant and the Released Parties have no obligation for Plaintiff's Attorneys' Fees, a Case Contribution Award, or Litigation Expenses and

Administration, Notice, and Distribution Costs, which shall be paid from the Gross Settlement Fund. Therefore, Defendant shall not take any position with respect to the applications; the amount of Plaintiff's Attorneys' Fees, a Case Contribution Award, or Litigation Expenses and Administration, Notice, and Distribution Costs sought; or with respect to whether the Court should make any or all such awards. Plaintiff and Plaintiff's Counsel agree to seek any award of Plaintiff's Attorneys' Fees to Plaintiff's Counsel, a Case Contribution Award to Plaintiff, and Litigation Expenses and Administration, Notice, and Distribution Costs exclusively from the Gross Settlement Fund. The Released Parties shall have no responsibility for and shall take no position with respect to Plaintiff's Attorneys' Fees, Litigation Expenses or Administration, Notice, and Distribution Costs, or Case Contribution Award, nor will they encourage or communicate with anyone to object thereto.

7.2. Subject to the conditions and qualifications set forth below, any Plaintiff's Attorneys' Fees and reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs that are awarded to Plaintiff's Counsel by the Court shall be paid to Plaintiff's Counsel from the Gross Settlement Fund, to the extent practicable through reasonably diligent efforts, one (1) business day following the date the Judgment becomes Final and Non-Appealable.

7.3. Any Case Contribution Award that is awarded by the Court shall be paid to Plaintiff from the Gross Settlement Fund, to the extent practicable through reasonably diligent efforts, one (1) business day following the date the Judgment becomes Final and Non-Appealable.

7.4. An award of Plaintiff's Attorneys' Fees, a Case Contribution Award, or Litigation Expenses and Administration, Notice, and Distribution Costs is not a necessary term of this Settlement Agreement and is not a condition of this Settlement Agreement. No decision by the Court or any court on any application for an award of Plaintiff's Attorneys' Fees, Case Contribution Award, or Litigation Expenses and Administration, Notice, and Distribution Costs shall affect the

validity or finality of the Settlement. Plaintiff and Plaintiff's Counsel may not cancel or terminate the Settlement Agreement or the Settlement based on this Court's or any other court's ruling with respect to Plaintiff's Attorneys' Fees, a Case Contribution Award, or Litigation Expenses and Administration, Notice, and Distribution Costs.

8. Requests for Exclusion

8.1. Plaintiff shall not submit a Request for Exclusion and neither Plaintiff, Plaintiff's Counsel, Defendant, Defendant's Counsel, nor anyone acting on behalf of said persons or entities, shall encourage or communicate with anyone else regarding submission of a Request for Exclusion. Nevertheless, this Settlement Agreement does not prohibit Plaintiff's Counsel from counseling any Class Member as to his, her, or its legal rights under this Settlement Agreement, or prohibit any Class Member who seeks such counsel from Plaintiff's Counsel from electing to file a Request for Exclusion from the Settlement Class in accordance with the Court's orders on the subject.

8.2. Any putative Class Member who timely and properly submits a valid Request for Exclusion, as described below, shall have no right to object to the Settlement in any way, including but not limited to, the fairness, reasonableness, and/or amount of any aspect of the Settlement, Notice of Settlement, Plaintiff's Counsel's request for Plaintiff's Attorneys' Fees and Litigation Expenses and Administration, Notice, and Distribution Costs, a Case Contribution Award, the Allocation Methodology, any Plan of Allocation using the Allocation Methodology, or any distribution of the Net Settlement Fund or Residual Unclaimed Funds.

8.3. All Requests for Exclusion must be served on Defendant's Counsel, Plaintiff's Counsel, and the Settlement Administrator by United States Certified Mail, Return Receipt Requested, in compliance with any and all requirements imposed on Requests for Exclusion as contained in the Preliminary Approval Order and the Notice of Settlement in the manner set by the

Court at least twenty-one (21) calendar days prior to the Final Fairness Hearing, unless such deadline is changed or altered by Order of the Court.

8.4. All Requests for Exclusion must include: (a) the Class Member's name, address, telephone number, and notarized signature; (b) a statement that the Class Member wishes to be excluded from the Settlement Class in *Kawulok v. JMA Energy Company, L.L.C.*, and (c) a description of the Class Member's interest in any wells for which Defendant remitted oil-and-gas proceeds, including the name, well number, county in which the well is located, and the owner identification number. Requests for Exclusion may not be submitted through the website or by telephone, facsimile, or e-mail.

9. Termination

9.1. If (a) the Court enters an order denying the motion for preliminary approval of the Settlement or expressly declines to enter the Preliminary Approval Order; (b) the Court refuses to approve this Settlement Agreement; (c) the Court denies the motion for final approval or declines to enter the Judgment; or (d) the Judgment is modified or reversed and such modification or reversal becomes Final and Non-Appealable, this Settlement Agreement shall terminate, and the Parties shall revert to the positions they occupied before the Settlement; provided, however, that any court decision, ruling, or order solely with respect to an application for Plaintiff's Attorneys' Fees, a Case Contribution Award, or Litigation Expenses and Administration, Notice, and Distribution Costs, or to the Allocation Methodology (or any Plan of Allocation using the Allocation Methodology), shall not be grounds for termination.

9.2. Defendant shall have the right and option, in its sole discretion, to terminate this Settlement if Class Members who have claims which, in the aggregate, exceed twenty percent (20%) of the Net Settlement Fund under the Initial Plan of Allocation elect to opt-out of this Settlement. The term "opt-out" shall mean a Class Member who timely and properly submits a

Request for Exclusion. Within five (5) days after the Request for Exclusion period ends, the Settlement Administrator shall determine whether the aforesaid threshold for opt-outs has been met and will notify Plaintiff's Counsel and Defendant's Counsel in writing regarding the results of that determination and simultaneously provide a list of the Class Members who have elected to opt-out. Defendant must elect to terminate this Settlement by written notice delivered to Plaintiff's Counsel on or before the expiration of five (5) days following the date on which the Settlement Administrator provides the above-referenced written notice of the threshold for opt-outs. If Defendant does not exercise its right to terminate on or before the expiration of that five (5) day period, Defendant's right to terminate shall expire. If Defendant timely and properly exercises its option to terminate this Agreement, this Agreement shall become null and void, subject to the provisions of paragraph 9.4 below, and all orders of the Court preliminarily or otherwise certifying the Settlement Class shall be vacated and the Parties shall be returned to the status quo that existed in the Litigation before the Parties had preliminarily agreed to propose this Settlement (subject to appropriate extensions of deadlines to enable the Litigation to proceed).

9.3. The Effective Date, defined in paragraph 1.11, shall be the first business day on which all of the following shall have occurred:

- a) Defendant has fully paid, or caused to be fully paid, the Gross Settlement Fund, as required above;
- b) the Settlement Agreement has not terminated under paragraph 9 hereof;
- c) the Court has approved the Settlement as described herein and entered the Judgment in substantially the same form and content attached hereto as Exhibit 2; and
- d) such Judgment has become Final and Non-Appealable, as set forth in paragraph 1.12.

9.4. If the Settlement Agreement terminates under paragraph 9 hereof:

- a) the Effective Date shall not occur;

- b) the terms and provisions of this Settlement Agreement shall have no further force and effect with respect to Plaintiff, Defendant, the Released Parties, or any Class Member and shall not be used in the Litigation or in any other proceeding;
- c) any Judgment or other order, including any order certifying the Settlement Class for settlement purposes only, entered by the Court in accordance with the terms of this Settlement Agreement, shall be treated as vacated, *Nunc pro Tunc*;
- d) the Gross Settlement Fund will be returned to Defendant within twenty (20) days at Defendant's election, less up to Seventy-Five Thousand Dollars (\$75,000.00) in reasonably incurred Administration, Notice, and Distribution Costs incurred prior to such date, and Plaintiff's Counsel agree to provide reasonable support for such costs if requested; and
- e) the Litigation shall proceed as if the Settlement Agreement and any orders or motions entered to further the Settlement were never entered.

10. Objections

10.1. The Notice of Settlement shall require that any objection to the Settlement, this Settlement Agreement, or to the application for Plaintiff's Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and a Case Contribution Award be in writing and comply with all the requirements set forth herein and by the Court in the Preliminary Approval Order and Notice of Settlement.

10.2. If the Court determines that the Settlement, including the Allocation Methodology; the Plan of Allocation and the awards of Plaintiff's Attorneys' Fees; a Case Contribution Award; and Litigation Expenses and Administration, Notice, and Distribution Costs are fair, adequate, and reasonable to the Settlement Class, Plaintiff and Plaintiff's Counsel shall represent the Settlement Class as a whole in all future proceedings in district court or on appeal, even if Class Members have objected to the Settlement and those objectors are severed for purposes of appeal, consistent with paragraph 10.3.

10.3. The Parties entered into the Settlement to provide certainty and finality to an ongoing dispute. Any Class Member wishing to remain a Class Member, but objecting to any part

of the Settlement, can do so only as set forth herein and in the Notices of Settlement documents in substantially the same form as Exhibits 3 through 5, attached hereto. If, after hearing the objection(s), the Court determines that the Settlement, including but not limited to, the Allocation Methodology, the Plan of Allocation, and the awards of Plaintiff's Attorneys' Fees, any Case Contribution Award, and reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, is fair, adequate, and reasonable to the Class as a whole, then either or both Plaintiff and Defendant (each in their sole discretion) may request that the Court require each objecting Class Member to preserve their appellate rights as follows (prior to filing a Notice of Appeal): move for severance and separate appellate review of the Court's rulings on objections relating solely to one or more of the following: the Plan of Allocation, the award of Plaintiff's Attorneys' Fees, the Case Contribution Award, or Litigation Expenses and Administration, Notice, and Distribution Costs; provided, however, that none of the Parties shall file a motion for severance and separate appellate review of any objections to the fairness or approval of the Settlement Agreement.

10.4. If the Court determines that the Settlement, including but not limited to, the Allocation Methodology, the Plan of Allocation, and the awards of Plaintiff's Attorneys' Fees, any Case Contribution Award, and reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, as may be modified by the Court, is fair, adequate, and reasonable to the Class as a whole, then either or both Plaintiff and Defendant (each in their sole discretion) may request the Court to require any objecting Class Member, as a prerequisite to pursuing appeal, to put up a cash bond in an amount sufficient to reimburse (a) the appellate fees of Plaintiff's Counsel and Defendant's Counsel, and (b) the amount of lost interest to the nonobjecting Class Members caused by any delay in distribution of the Net Settlement Fund that is caused by appellate review of the objection.

10.5. Only a person or entity who remains a member of the Settlement Class shall have the right to object to the Settlement, the Settlement Agreement, or the application for Plaintiff's Attorneys' Fees, Litigation Expenses and Administration, Notice, and Distribution Costs, and a Case Contribution Award. In order for an objection to be valid, the written objection must be (a) filed with the Court and served on Plaintiff's Counsel and Defendant's Counsel by United States Certified Mail, Return Receipt Requested at least twenty-one (21) calendar days prior to the Final Fairness Hearing, unless such deadline is extended or altered by Order of the Court, and (b) contain the following:

- i. A heading referring to *Kawulok v. JMA Energy Company, L.L.C.*, No. CJ-19-50, District Court of Hughes County, Oklahoma;
- ii. A statement as to whether the objector intends to appear at the Final Fairness Hearing, either in person or through counsel, and, if through counsel, identifying counsel by name, address, and telephone number;
- iii. A detailed statement of the specific legal and factual basis for each and every objection;
- iv. A list of any witnesses the objector wishes to call at the Final Fairness Hearing, together with a brief summary of each witness's expected testimony (to the extent the objector desires to offer expert testimony and/or an expert report, any such evidence must fully comply with the Oklahoma Rules of Civil Procedure, Oklahoma Rules of Evidence, and the Local Rules of the Court);
- v. A list of and copies of any exhibits the objector may seek to use at the Final Fairness Hearing;
- vi. A list of any legal authority the objector may present at the Final Fairness Hearing;
- vii. The objector's name, current address, current telephone number, and all owner identification numbers with Defendant;
- viii. The objector's signature executed before a Notary Public or other officer authorized by law to administer oaths in the jurisdiction where the objector executes the signature;

- ix. Identification of the objector's interest in wells for which the objector has received payments made by or on behalf of Defendant (by well name, payee, well number, and county in which the well is located) during the Claim Period and identification of such payments by date of payment, date of production, and amount; and
- x. If the objector is objecting to any portion of Plaintiff's Attorneys' Fees, Litigation Expenses or Administration, Notice, and Distribution Costs, or Case Contribution Award sought by Plaintiff or Plaintiff's Counsel on the basis that the amounts requested are unreasonably high, the objector must specifically state the portion of such requests he/she/it believes is fair and reasonable and the portion that is not.

Any Class Member who fails to timely file such written statement and provide the required information will not be permitted to present any objections at the Final Fairness Hearing, and such failure will render any such attempted objection untimely and of no effect. All presentations of objections will be further limited by the information listed. A Class Member's mere compliance with the foregoing requirements does not in any way guarantee a Class Member the ability to present evidence or testimony at the Final Fairness Hearing. The decision whether to allow any testimony, argument, or evidence, as well as the scope and duration of any and all presentations of objections at the Final Fairness Hearing, will be in the sole discretion of the Court.

10.6. The Parties will not object to the fairness, adequacy, or reasonableness of the Settlement on appeal. Nor will Defendant take any position, including on appeal, regarding Plaintiff's Attorneys' Fees, any Case Contribution Award, any reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, or the Allocation Methodology (or any Plan of Allocation using the Allocation Methodology).

11. Other Terms and Conditions

11.1. Defendant expressly denies all allegations of wrongdoing or liability with respect to the claims and allegations in the Litigation and denies that the Litigation could have been properly maintained as a class action on a contested basis. It is expressly agreed that neither this

Settlement, the Settlement Agreement, any document referred to herein, nor any action taken to carry out the Settlement is, may be construed as, or may be used as, evidence of or an admission or concession by Defendant or the Released Parties of any fault, wrongdoing, or liability whatsoever with respect to the claims and allegations in the Litigation, or class certifiability. There has been no determination by any court, administrative agency, or other tribunal regarding the claims and allegations made in this Litigation. By agreeing to settle the claims of the Settlement Class in the Litigation, Defendant does not admit that the Litigation could have been properly maintained as a contested class action and the Settlement Class do not admit any deficiency in the merits of their claims. Defendant asserts it has valid defenses to Plaintiff's and the Class Member's claims and is entering into the Settlement solely to compromise the disputed claims and avoid the risk and expense of continued litigation.

11.2. Entering into or carrying out the Settlement Agreement, any negotiations or proceedings related thereto, and the Settlement Agreement itself, are not, and shall not be construed as, or deemed to be evidence of, an admission or concession by any of the Parties to the Settlement Agreement, and shall not be offered or received in evidence in any action or proceeding by or against any party hereto in any court, administrative agency, or other tribunal for any purpose whatsoever other than to enforce the provisions of the Settlement between Defendant and any Class Member(s), the provisions of the Settlement Agreement, or the Judgment, or to seek an Order barring or precluding the assertion of Released Claims in any proceeding. Further, Plaintiff and Defendant agree that any judgment approving this Settlement Agreement shall not give rise to any collateral estoppel effect as to the certifiability of any class in any other proceeding.

11.3. Plaintiff and Defendant shall use reasonable, good-faith efforts to encourage and obtain approval of the Settlement. Plaintiff and Defendant also agree to use reasonable, good faith efforts to promptly prepare and execute all documentation as may be reasonably required to obtain

final approval by the Court of this Settlement and to carry out the terms of this Settlement Agreement.

11.4. Except as otherwise provided herein or by a writing signed by all the signatories hereto, the Settlement Agreement shall constitute the entire agreement among Plaintiff, Defendant, and the Released Parties related to the Settlement of the Litigation, and no representations, warranties, or inducements have been made to any party concerning the Settlement other than the representations, warranties, and covenants contained and memorialized in the Settlement Agreement. Further, none of the Parties have relied upon any representations, warranties, or covenants made by any other Party other than those expressly contained and memorialized in the Settlement Agreement. This Settlement Agreement may not be modified or amended, nor may any of its provisions be waived, except by a writing signed by all signatories hereto or their successors-in-interest.

11.5. This Settlement Agreement may be executed in one or more counterparts, including by facsimile or imaged signatures. Facsimile or imaged signatures will have the same force and effect as original signatures. All executed counterparts taken together shall be deemed to be one and the same instrument. Counsel for the Parties shall exchange among themselves signed counterparts of this Settlement Agreement and Plaintiff will file a complete copy of the Settlement Agreement that has been executed by all Parties with the Court.

11.6. Plaintiff and Defendant and their respective Counsel have mutually contributed to the preparation of the Settlement Agreement. Accordingly, no provision of the Settlement Agreement shall be construed against any party on the grounds that one of the parties or its counsel drafted the provision. Plaintiff and Defendant are each represented by competent counsel who have advised their respective clients as to the legal effects of this Settlement, and neither Plaintiff nor Defendant has received or relied upon advice from opposing counsel. Except as otherwise provided

herein, each party shall bear its own costs in connection with the Settlement and preparation of the Settlement Agreement.

11.7. The Settlement Agreement shall be binding upon, and inure to the benefit of the Parties, their heirs, assigns, trustees, predecessors and successors-in-interest.

11.8. Plaintiff and Defendant intend this Settlement to be a final and complete resolution of all disputes asserted or that could be asserted with respect to the Released Claims. Accordingly, Defendant agrees not to file a claim against Plaintiff or Plaintiff's Counsel based upon an assertion that the Litigation was brought by Plaintiff or Plaintiff's Counsel in bad faith or without a reasonable basis. Similarly, Plaintiff agrees not to file a claim against Defendant or Defendant's Counsel based upon an assertion that the Litigation was defended by Defendant or Defendant's Counsel in bad faith or without a reasonable basis. Plaintiff and Defendant agree that the amount paid and the other terms of this Settlement were negotiated at arm's length, in good faith, and reflect a settlement that was reached voluntarily after consultation with experienced legal counsel. Neither Plaintiff nor Defendant shall assert any claims that the other violated the Oklahoma Rules of Civil Procedure or any other law or rule governing litigation conduct in the maintenance or defense of the Litigation.

11.9. The headings in the Settlement Agreement are used for the purpose of convenience only and are not meant to have legal effect.

11.10. All disputes and proceedings with respect to the administration of the Settlement and enforcement of the Judgment shall be subject to the jurisdiction of the Court. Plaintiff, the Settlement Class, and Defendant waive any right to trial by jury of any dispute arising under or relating to this Settlement Agreement or the Settlement.

11.11. To the extent non-material modifications of this Settlement Agreement are necessary, such modification may be made by written agreement among Plaintiff and Defendant

after the Execution Date without further notice to the Settlement Class as provided herein. This Settlement Agreement and attached exhibits represent the entire, fully integrated agreement between the Parties with respect to the Settlement of the Litigation and may not be contradicted by evidence of prior or contemporaneous oral or written agreements between the Parties. This Settlement Agreement cancels and supersedes any and all prior agreements, understandings, representations, and negotiations concerning this Settlement. No additional obligations or understandings shall be inferred or implied from any of the terms of this Settlement Agreement, as all obligations, agreements, and understandings with respect to the subject matter hereof are solely and expressly set forth herein. It is understood and agreed that the Parties rely wholly on their own respective judgment, belief, and knowledge of the facts relating to the making of this Settlement, which is made without reliance upon any statement, promise, inducement, or consideration not recited herein.

11.12. All counsel and any other persons executing this Settlement Agreement, and any of the exhibits hereto or any related Settlement documents, warrant and represent that they have the full authority to do so and that they have the authority to take appropriate action required or permitted to be taken pursuant to the Settlement Agreement to effectuate its terms. Plaintiff and each member of the Settlement Class are deemed to represent and warrant that he, she, or it holds the claims being released in the Settlement and that he, she, or it has full authority to release such claims.

11.13. Plaintiff and Defendant stipulate and agree that (a) all activity in the Litigation, except that contemplated in the Settlement Agreement, the Preliminary Approval Order, the Notice of Settlement, and the Judgment shall be stayed; and (b) all hearings, deadlines, and other proceedings, except the preliminary approval hearing (if any) and the Final Fairness Hearing, shall be taken off the calendar.

11.14. If any Party is required to give notice to the other Party under this Settlement Agreement, such notice shall be in writing and shall be deemed to have been duly given upon receipt by hand delivery, facsimile transmission, or electronic mail to the individuals named in the signature blocks below.

11.15. The Parties agree the Litigation and the Settlement do not relate to the offering of goods or services to persons in the European Union or the monitoring of behavior of persons residing in the European Union; thus, the Parties and their Counsel are not subject to the General Data Protection Regulation (GDPR) by virtue of anything related to this Settlement.

11.16. Nothing contained in this Settlement Agreement, including any documents associated herewith and/or referenced herein, shall, in any manner, modify, amend, limit, or alter in any respects any of the terms and conditions set forth in the Agreed Protective Order entered in the Litigation on January 21, 2020, which remains in full force and effect.

IN WITNESS WHEREOF, the parties and counsel have executed this Agreement, in several, as of January 16, 2026.

Plaintiff,

v.

JMA Energy Company, L.L.C.,

Defendant.

Case No. CJ-2019-50

**ORDER GRANTING PRELIMINARY APPROVAL OF CLASS ACTION
SETTLEMENT, CERTIFYING THE CLASS FOR SETTLEMENT PURPOSES,
APPROVING FORM AND MANNER OF NOTICE, AND SETTING DATE FOR
FINAL FAIRNESS HEARING**

This is a class action lawsuit brought by Plaintiff Kristina Stacy Kawulok (“Plaintiff” or “Class Representative”), on behalf of herself and as a representative of a class of owners (defined below), against JMA Energy Company, L.L.C. (“Defendant” or “JMA Energy”) (“Plaintiff” and “Defendant” collectively the “Parties”) for the alleged underpayment of royalty on gas and gas constituents from Oklahoma oil-and-gas wells during the Claim Period. On January 16, 2026, the Parties executed a Stipulation and Agreement of Settlement (the “Settlement Agreement”) finalizing the terms of the Settlement.¹ The Settlement Agreement, together with the documents referenced therein and exhibits thereto, set forth the terms and conditions for the proposed

¹ Capitalized terms not otherwise defined in this Order shall have the meaning ascribed to them in the Settlement Agreement.

Settlement of the Litigation. In accordance with the Settlement Agreement, Plaintiff now presents the Settlement to the Court for preliminary approval under OKLA. STAT. tit. 12, § 2023.

After reviewing the pleadings and Plaintiff's Motion to Certify the Class for Settlement Purposes, Preliminarily Approve Class Action Settlement, Approve Form and Manner of Notice, and Set Date for Final Fairness Hearing ("Motion for Preliminary Approval"), the Court has preliminarily considered the Settlement to determine, among other things, whether the Settlement warrants the issuance of notice to the Settlement Class. Upon reviewing the Settlement and the Motion for Preliminary Approval, it is hereby **ORDERED, ADJUDGED, AND DECREED** as follows:

1. For purposes of this Order, the Court adopts all defined terms as set forth in the Settlement Agreement unless otherwise defined herein.

2. The Court finds the Settlement Class should be certified at this stage for the purposes of this Settlement, as the Settlement Class meets all certification requirements of OKLA. STAT. tit. 12, § 2023 for a settlement class. The Settlement Class is certified for settlement purposes only, subject to the Court's final consideration at the Final Fairness Hearing. Because this case has been settled at this stage of the proceedings, the Court does not reach, and makes no ruling either way, as to the issue of whether the Settlement Class could have been certified in this case on a contested basis.

3. The certified Settlement Class is defined as follows:

All non-excluded persons or entities who are or were royalty owners in Oklahoma wells who received gas royalty payments from JMA Energy for the Claim Period for the Class Wells operated by JMA Energy. The Class claims relate to the correctness and adequacy of royalty payments and/or non-payments for gas and its constituents, including, but not limited to, residue gas, casinghead gas, natural gas liquids, helium, nitrogen, drip condensate, and gas used on or off the lease premises.

Excluded from the Settlement Class are: (1) JMA Energy, its affiliates, predecessors, members, employees, officers, and directors; (2) agencies, departments, or instrumentalities of the United States of America or the State of Oklahoma; (3) publicly traded oil and gas companies and their affiliates; (4) Charles David Nutley, Danny George, Dan McClure, Kelly McClure Callant, C. Benjamin Nutley, White River Royalties, LLC, and their relatives, affiliates, successors, and assigns; (5) the persons and entities identified on Exhibit 7; (6) persons or entities that Plaintiff's counsel may be prohibited from representing under Rule 1.7 of the Oklahoma Rules of Professional Conduct; (7) any Indian tribe as defined at 30 U.S.C. § 1702(4) or Indian allottee as defined at 30 U.S.C. § 1702(2); and (8) officers of the Court.

4. The Court finds, subject to the Court's final consideration at the Final Fairness Hearing, the above-defined Settlement Class satisfies all prerequisites of OKLA. STAT. tit. 12, § 2023(A) for purposes of the proposed class settlement:

a. **Numerosity.** Plaintiff has demonstrated "[t]he class is so numerous that joinder of all members is impracticable." OKLA. STAT. tit. 12, § 2023(A)(1). Here, the Settlement Class consists of thousands of owners. Therefore, the Court finds the numerosity prerequisite is undoubtedly met.

b. **Commonality.** Plaintiff has also demonstrated "[t]here are questions of law or fact common to the class." OKLA. STAT. tit. 12, § 2023(A)(2).

c. **Typicality.** Plaintiff has also shown "[t]he claims or defenses of the representative parties are typical of the claims or defenses of the class." OKLA. STAT. tit. 12, § 2023(A)(3).

d. **Adequacy.** Plaintiff and Plaintiff's Counsel have demonstrated "[t]he representative parties will fairly and adequately protect the interests of the class." OKLA. STAT. tit. 12, § 2023(A)(4).

In addition, because the Court finds Plaintiff and Plaintiff's Counsel to be adequate representatives of the Settlement Class, the Court hereby appoints Plaintiff Kristina Stacy

Kawulok, as Class Representative, Plaintiff's Counsel Reagan E. Bradford and Ryan K. Wilson as Co-Lead Class Counsel, and Rex A. Sharp as Additional Class Counsel.

5. The Court also finds the requirements of OKLA. STAT. tit. 12, § 2023(B)(3) are met:

a. **Predominance.** Class Representative has shown “questions of law or fact common to the members of the class predominate over any questions affecting only individual members.” OKLA. STAT. tit. 12, § 2023(B)(3).

b. **Superiority.** Class Representative has also established “that a class action is superior to other available methods for the fair and efficient adjudication of the controversy.” OKLA. STAT. tit. 12, § 2023(B)(3).

In sum, the Court finds all prerequisites and requirements of OKLA. STAT. tit. 12, § 2023(A)-(B) are satisfied for purposes of certifying a class for settlement purposes, subject to the Court's final consideration at the Final Fairness Hearing.

6. The Court preliminarily finds (a) the proposed Settlement resulted from extensive arm's-length negotiations; (b) the proposed Settlement was agreed to only after Class Counsel had conducted legal research and discovery regarding the strengths and weakness of Class Representative's and the Settlement Class's claims; (c) Class Representative and Class Counsel have concluded that the proposed Settlement is fair, reasonable, and adequate; and (d) the proposed Settlement is sufficiently fair, reasonable, and adequate to warrant sending notice of the proposed Settlement to the Settlement Class.

7. Having considered the essential terms of the Settlement under the recognized standards for preliminary approval as set forth in the relevant jurisprudence, the Court preliminarily approves the Settlement, subject to the right of any member of the Settlement Class to challenge the fairness, reasonableness, and adequacy of any part of the Settlement, Settlement Agreement, Allocation Methodology, or proposed Plan of Allocation (or any other Plan of Allocation), and to

show cause, if any exists, why the Judgment dismissing the Litigation based on the Settlement Agreement should not be ordered after adequate notice to the Settlement Class has been given in conformity with this Order. As such, the Court finds that those Class Members whose claims would be settled, compromised, dismissed, and released pursuant to the Settlement should be given notice and an opportunity to be heard regarding final approval of the Settlement and other matters.

8. The Court further preliminarily approves the form and content of the proposed Notices, which are attached to the Settlement Agreement as Exhibits 3–5, and finds the Notices are the best notice practicable under the circumstances; constitute due and sufficient notice to all persons and entities entitled to receive such notice; and fully satisfy the requirements of applicable laws, including due process and OKLA. STAT. tit. 12, § 2023. The Court finds the form and content of the Notices fairly and adequately: (a) describe the terms and effect of the Settlement; (b) notify the Settlement Class that Class Counsel will seek Plaintiff’s Attorneys’ Fees, reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and a Case Contribution Award for Class Representative’s services; (c) notify the Settlement Class of the time and place of the Final Fairness Hearing; (d) describe the procedure for requesting exclusion from the Settlement; and (e) describe the procedure for objecting to the Settlement or any part thereof.

9. The Court also preliminarily approves the proposed manner of communicating the Notices to the Settlement Class, as set out below, and finds it is the best notice practicable under the circumstances, constitutes due and sufficient notice to all persons and entities entitled to receive such notice, and fully satisfies the requirements of applicable laws, including due process and OKLA. STAT. tit. 12, § 2023:

a. No later than thirty (30) days after entry of this Preliminary Approval Order, the Settlement Administrator will mail (or cause to be mailed) the Notice by mail to all Class Members who have been identified after reasonable efforts to do so and will post the

Notice to the settlement website. The Notice will be mailed to Class Members using the data described in paragraph 3.2 of the Settlement Agreement, the last known addresses for each payee, and any updated addresses found by the Settlement Administrator. For any Class Members who received more than one payment, the Notice of Settlement will be mailed to the payee's last-known address (or any updated address found by the Settlement Administrator). The Settlement Administrator will also publish the Notice as described below. It is not reasonable or economically practical for the Parties to do more to determine the names and addresses of Class Members.

b. No later than ten (10) days after mailing the first notice, or at such time as is ordered by the Court, the Settlement Administrator also shall publish (or cause to be published) the Notice of Settlement one time in each of the following newspapers: (a) *The Oklahoman*, a paper of general circulation in Oklahoma; and (b) *The Tulsa World*, a paper of general circulation in Oklahoma.

c. Within ten (10) days after mailing the first notice and continuing through the Final Fairness Hearing, the Settlement Administrator will also display (or cause to be displayed) on an Internet website dedicated to this Settlement the following documents: (i) the Notice of Settlement, (ii) the Original Petition, (iii) the Settlement Agreement, (iv) this Order, and (v) other publicly-filed documents related to the Settlement.

10. Class Counsel is authorized to act on behalf of the Settlement Class with respect to all acts required by, or which may be given pursuant to, the Settlement Agreement, or such other acts that are reasonably necessary to consummate the proposed Settlement set forth in the Settlement Agreement.

11. The Court appoints JND Legal Administration to act as Settlement Administrator and perform the associated responsibilities set forth in the Settlement Agreement. The Settlement

Administrator will receive and process any Requests for Exclusion and, if the Settlement is finally approved by the Court, will supervise and administer the Settlement in accordance with the Settlement Agreement, the Judgment, and the Court's Plan of Allocation order(s) authorizing distribution of the Net Settlement Fund to Class Members. The Parties and their Counsel shall not be liable to any Class Member or third party for any act, omission, or negligence of the Settlement Administrator in any respect.

12. Pursuant to OKLA. STAT. tit. 12, § 2023(E), a Final Fairness Hearing shall be held on [Month] [Date], 2026, at _____M. in the District Court for Hughes County, Oklahoma, the Honorable _____ presiding, to:

a. determine whether the Settlement should be approved by the Court as fair, reasonable, and adequate and in the best interests of the Settlement Class;

b. determine whether the notice method utilized: (i) constituted the best practicable notice under the circumstances; (ii) constituted notice reasonably calculated, under the circumstances, to apprise Class Members of the pendency of the Litigation, the Settlement, their right to exclude themselves from the Settlement, their right to object to the Settlement, and their right to appear at the Final Fairness Hearing; (iii) was reasonable and constituted due, adequate, and sufficient notice to all persons and entities entitled to such notice; and (iv) meets all applicable requirements of the Oklahoma Rules of Civil Procedure and any other applicable law;

c. determine whether a final Judgment should be entered pursuant to the Settlement Agreement, *inter alia*, dismissing the Litigation against Defendant, and the Counterclaim against Plaintiff, with prejudice and extinguishing, releasing, and barring all Released Claims against all Released Parties in accordance with the Settlement Agreement;

d. determine the proper method of allocation and distribution of the Net Settlement Fund among Class Members who are not excluded from the Settlement Class by virtue of a timely and properly submitted Request for Exclusion or other order of the Court;

e. determine whether the applications for Plaintiff's Attorneys' Fees, reimbursement for Litigation Expenses and Administration, Notice, and Distribution Costs, and the Case Contribution Award to Class Representative is fair and reasonable and should be approved; and

f. rule on such other matters as the Court may deem appropriate.

13. The Court reserves the right to adjourn, continue, and reconvene the Final Fairness Hearing, or any aspect thereof, including the consideration for the application for Plaintiff's Attorneys' Fees and reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and the Case Contribution Award to Class Representative without further notice to the Settlement Class. The Settlement Administrator will update the website maintained pursuant this Order to reflect the current information about the date and time for the Final Fairness Hearing.

14. Class Members wishing to exclude themselves from the Settlement Class pursuant to Okla. Stat. tit. 12, § 2023(E)(4) must submit to the Settlement Administrator a valid and timely Request for Exclusion. Requests for Exclusion must include: (i) the Class Member's name, address, telephone number, and notarized signature; (ii) a statement that the Class Member wishes to be excluded from the Settlement Class in *Kawulok v. JMA Energy Company, L.L.C.*; and (iii) a description of the Class Member's interest in any wells for which Defendant remitted oil-and-gas proceeds, including the name, well number, county in which the well is located, and the owner identification number. Requests for Exclusion must be served on the Settlement Administrator, Defendant's Counsel, and Plaintiff's Counsel by certified mail, return receipt requested and

received no later than 5 p.m. CT on [Month] [Date], 2026. Requests for Exclusion may be mailed as follows:

Any Class Member that has not timely and properly submitted a Request for Exclusion shall be included in the Settlement and shall be bound by the terms of the Settlement Agreement in the event it is finally approved by the Court.

15. Any Class Member who wishes to object to the fairness, reasonableness, or adequacy of the Settlement, any term of the Settlement, the Allocation Methodology, the Plan of Allocation, the request for Plaintiff's Attorneys' Fees, reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, or the request for a Case Contribution Award to Class Representative may file an objection. An objector must file with the Court and serve upon Class Counsel and Defendant's Counsel a written objection containing the following: (a) a heading referring to *Kawulok v. JMA Energy Company, L.L.C.*, No. CJ-19-50, District Court for Hughes County, Oklahoma; (b) a statement as to whether the objector intends to appear at the Final Fairness

Such written objections must be filed with the Court and served on Plaintiff's Counsel and Defendant's Counsel, via certified mail, return receipt requested, and received no later than 5 p.m. CT by the deadline of twenty-one (21) calendar days prior to the Final Fairness Hearing at the addresses set forth in paragraph 14 above.

Any Class Member who fails to timely file and serve such written statement and provide the required information will not be permitted to present any objections at the Final Fairness

Hearing and such failure will render any such attempted objection untimely and of no effect. All presentations of objections will be further limited by the information listed. The Parties' Counsel may file any reply or response to any objections prior to the Final Fairness Hearing. The procedures set forth in this paragraph do not supplant, but are in addition to, any procedures required by the Oklahoma Rules of Civil Procedure.

16. Any objector who timely files and serves a valid written objection in accordance with the above paragraph may also appear at the Final Fairness Hearing, either in person or through qualified counsel retained at the objector's expense. Objectors or their attorneys intending to present any objection at the Final Fairness Hearing must comply with the Local Rules of this Court in addition to the requirements set forth in paragraph 15 above.

17. No later than twenty-eight (28) calendar days prior to the Final Fairness Hearing, if the Settlement has not been terminated pursuant to the Settlement Agreement, Plaintiff's Counsel and Plaintiff shall move for: (a) final approval of the Settlement pursuant to OKLA. STAT. tit. 12, § 2023(E); (b) entry of a Judgment in substantially the same form as Exhibit 2; (c) final approval of the Allocation Methodology and Plan of Allocation; and (d) Plaintiff's Attorneys' Fees, reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and/or a Case Contribution Award.

18. If the Settlement is not approved by the Court, is terminated in accordance with the terms of the Settlement Agreement, or otherwise does not become Final and Non-Appealable for any reason whatsoever, the Settlement, Settlement Agreement, and any actions to be taken in connection therewith (including this Order and any Judgment entered herein), shall be terminated and become void and of no further force and effect as described in the Settlement Agreement. Any obligations or provisions relating to the refund of Plaintiff's Attorney's Fees, Litigation Expenses, the payment of Administration, Notice, and Distribution Costs already incurred, and any other

obligation or provision in the Settlement Agreement that expressly pertains to the termination of the Settlement or events to occur after the termination, shall survive termination of the Settlement Agreement and Settlement.

19. All proceedings in the Litigation, other than such proceedings as may be necessary to carry out the terms and conditions of the Settlement, are hereby stayed and suspended until further order of this Court. Pending final approval of the Settlement, Class Representative and all Class Members are barred, enjoined, and restrained from commencing, prosecuting, continuing, or asserting in any forum, either directly or indirectly, on their own behalf or on the behalf of any other person or class, any Released Claim against Released Parties.

20. This Order shall not be construed or used as an admission, concession, or declaration by or against Defendant of any fault, wrongdoing, breach, liability, or the propriety of maintaining this Litigation as a contested class action or of class certifiability, and Defendant specifically denies any such fault, wrongdoing, breach, liability, and allegation regarding certification. This Order shall not be construed or used as an admission, concession, or declaration by or against Class Representative or the Settlement Class that their claims lack merit or that the relief requested in the Litigation is inappropriate, improper, or unavailable. This Order shall not be construed or used as an admission, concession, declaration, or waiver by any Party of any arguments, defenses, or claims he, she, or it may have with respect to the Litigation or class certifiability in the event the Settlement is terminated.

21. The Court may, for good cause shown, extend any of the deadlines set forth in this Order without further written notice to the Settlement Class.

CLASS COUNSEL

Exhibit 2

**IN THE DISTRICT COURT OF HUGHES COUNTY
STATE OF OKLAHOMA**

Kristina Stacy Kawulok, on behalf of herself
and all others similarly situated,

Plaintiff,

v.

JMA Energy Company, L.L.C.,

Defendant.

Case No. CJ-2019-50

JUDGMENT

This is a class action lawsuit brought by Plaintiff Kristina Stacy Kawulok (“Plaintiff” or “Class Representative”), on behalf of herself and as a representative of a class of owners (defined below), against JMA Energy Company, L.L.C. (“Defendant” or “JMA Energy”) (“Plaintiff” and “Defendant” collectively the “Parties”) for the alleged underpayment or non-payment of royalty on gas and gas constituents from Oklahoma oil-and-gas wells during the Claim Period. On January 16, 2026, the Parties executed a Stipulation and Agreement of Settlement (the “Settlement Agreement”) finalizing the terms of the Settlement.¹

On [Month] [Date], 2026, the Court preliminarily approved the Settlement and issued an Order Granting Preliminary Approval of Class Action Settlement, Certifying the Class for Settlement Purposes, Approving Form and Manner of Notice, and Setting Date for Final Fairness

¹ Capitalized terms not otherwise defined in this Order shall have the meaning ascribed to them in the Settlement Agreement.

Hearing (the “Preliminary Approval Order”). In the Preliminary Approval Order, the Court, *inter alia*:

- a. certified the Settlement Class for settlement purposes, finding all requirements of OKLA. STAT. tit. 12, § 2023 have been satisfied with respect to the proposed Settlement Class;
- b. appointed Plaintiff Kristina Stacy Kawulok as Class Representative, Reagan E. Bradford and Ryan K. Wilson as Co-Lead Class Counsel, and Rex A. Sharp as Additional Class Counsel;
- c. preliminarily found: (i) the proposed Settlement resulted from extensive arm’s-length negotiations; (ii) the proposed Settlement was agreed to only after Class Counsel had conducted legal research and discovery regarding the strengths and weaknesses of Class Representative’s and the Settlement Class’s claims; (iii) Class Representative and Class Counsel have concluded that the proposed Settlement is fair, reasonable, and adequate; and (iv) the proposed Settlement is sufficiently fair, reasonable, and adequate to warrant sending notice of the proposed Settlement to the Settlement Class;
- d. preliminarily approved the Settlement as fair, reasonable, and adequate and in the best interests of the Settlement Class;
- e. preliminarily approved the form and manner of the proposed Notices to be communicated to the Settlement Class, finding specifically that such Notices, among other information: (i) described the terms and effect of the Settlement; (ii) notified the Settlement Class that Plaintiff’s Counsel will seek Plaintiff’s Attorneys’ Fees, reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and a Case Contribution Award for Class Representative’s

- services; (iii) notified the Settlement Class of the time and place of the Final Fairness Hearing; (iv) described the procedure for requesting exclusion from the Settlement; and (v) described the procedure for objecting to the Settlement or any part thereof;
- f. instructed the Settlement Administrator to disseminate the approved Notices to potential members of the Settlement Class in accordance with the Settlement Agreement and in the manner approved by the Court;
 - g. provided for the appointment of a Settlement Administrator;
 - h. set the date and time for the Final Fairness Hearing as [Month] [Date], 2026, at _____M. in the District Court for Hughes County, Oklahoma; and
 - i. set out the procedures and deadlines by which Class Members could properly request exclusion from the Settlement Class or object to the Settlement or any part thereof.

After the Court issued the Preliminary Approval Order, due and adequate notice by means of the Notice and Summary Notice was given to the Settlement Class, notifying them of the Settlement and the upcoming Final Fairness Hearing. On [Month] [Day], 2026, in accordance with the Preliminary Approval Order and the Notice, the Court conducted a Final Fairness Hearing to, *inter alia*:

- a. determine whether the Settlement should be approved by the Court as fair, reasonable, and adequate and in the best interests of the Settlement Class;
- b. determine whether the notice method utilized by the Settlement Administrator: (i) constituted the best practicable notice under the circumstances; (ii) constituted notice reasonably calculated under the circumstances to apprise Class Members of the pendency of the Litigation, the Settlement, their right to exclude themselves from the Settlement, their right to object to the

Settlement or any part thereof, and their right to appear at the Final Fairness Hearing; (iii) was reasonable and constituted due, adequate, and sufficient notice to all persons and entities entitled to such notice; and (iv) meets all applicable requirements of the Oklahoma Rules of Civil Procedure and any other applicable law;

c. determine whether to approve the Allocation Methodology, the Plan of Allocation, and distribution of the Net Settlement Fund to Class Members who did not timely submit a valid Request for Exclusion or were not otherwise excluded from the Settlement Class by order of the Court;²

d. determine whether a Judgment should be entered pursuant to the Settlement Agreement, *inter alia*, dismissing the Litigation against Defendant with prejudice and extinguishing, releasing, and barring all Released Claims against all Released Parties in accordance with the Settlement Agreement;

e. determine whether the applications for Plaintiff's Attorneys' Fees, reimbursement for Litigation Expenses and Administration, Notice, and Distribution Costs, and a Case Contribution Award to Class Representative are fair and reasonable and should be approved;³ and

f. rule on such other matters as the Court deems appropriate.

The Court, having reviewed the Settlement, the Settlement Agreement, and all related pleadings and filings, and having heard the evidence and argument presented at the Final Fairness Hearing, now **FINDS, ORDERS, and ADJUDGES** as follows:

² The Court will issue a separate order pertaining to the allocation and distribution of the Net Settlement Fund among Class Members (the "Initial Plan of Allocation Order").

³ The Court will issue separate orders pertaining to Plaintiff's Counsel's request for Plaintiff's Attorneys' Fees, reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and Class Representative's request for a Case Contribution Award.

1. The Court, for purposes of this Final Judgment (the “Judgment”), adopts all defined terms as set forth in the Settlement Agreement and incorporates them as if fully set forth herein.

2. The Court has jurisdiction over the subject matter of this Litigation and all matters relating to the Settlement, as well as personal jurisdiction over Defendant and Class Members.

3. The Settlement Class, which was certified in the Court’s Preliminary Approval Order, is defined as follows:

All non-excluded persons or entities who are or were royalty owners in Oklahoma wells who received gas royalty payments from JMA Energy for the Claim Period for the Class Wells operated by JMA Energy. The Class claims relate to the correctness and adequacy of royalty payments and/or non-payments for gas and its constituents produced in any form, including, but not limited to, residue gas, casinghead gas, natural gas liquids, helium, nitrogen, drip condensate, and gas used on or off the lease premises.

Excluded from the Settlement Class are: (1) JMA Energy, its affiliates, predecessors, members, employees, officers, and directors; (2) agencies, departments, or instrumentalities of the United States of America or the State of Oklahoma; (3) publicly traded oil and gas companies and their affiliates; (4) Charles David Nutley, Danny George, Dan McClure, Kelly McClure Callant, C. Benjamin Nutley, White River Royalties, LLC, and their relatives, affiliates, successors, and assigns; (5) the persons and entities identified on Exhibit 7; (6) persons or entities that Plaintiff’s counsel may be prohibited from representing under Rule 1.7 of the Oklahoma Rules of Professional Conduct; (7) any Indian tribe as defined at 30 U.S.C. § 1702(4) or Indian allottee as defined at 30 U.S.C. § 1702(2); and (8) officers of the Court.

4. For substantially the same reasons as set out in the Court’s Preliminary Approval Order, the Court finds that the above-defined Settlement Class should be and is hereby certified for the purposes of entering judgment pursuant to the Settlement Agreement. Specifically, the Court finds that all requirements of OKLA. STAT. tit. 12, § 2023 have been satisfied for settlement purposes. Because this case has been settled at this stage of the proceedings, the Court does not reach, and makes no ruling either way, as to the issue of whether the Settlement Class could have been certified in this case on a contested basis.

5. The Court finds that the persons and entities identified in the attached Exhibit 1 have submitted timely and valid Requests for Exclusion and are hereby excluded from the foregoing Settlement Class, will not participate in or be bound by the Settlement, or any part thereof, as set forth in the Settlement Agreement, and will not be bound by or subject to the releases provided for in this Judgment and the Settlement Agreement.

6. At the Final Fairness Hearing on [Month] [Date], 2026, the Court fulfilled its duties to independently evaluate the fairness, reasonableness, and adequacy of, *inter alia*, the Settlement and the Notice of Settlement provided to the Settlement Class, considering not only the pleadings and arguments of Class Representative and Defendant and their respective Counsel, but also the concerns of any objectors and the interests of all absent Class Members. In so doing, the Court considered arguments that could reasonably be made against, *inter alia*, approving the Settlement and the Notice of Settlement, even if such argument was not actually presented to the Court by pleading or oral argument.

7. The Court further finds that due and proper notice, by means of the Notices, was given to the Settlement Class in conformity with the Settlement Agreement and Preliminary Approval Order. The form, content, and method of communicating the Notices disseminated to the Settlement Class and published pursuant to the Settlement Agreement and the Preliminary Approval Order: (a) constituted the best practicable notice under the circumstances; (b) constituted notice reasonably calculated, under the circumstances, to apprise Class Members of the pendency of the Litigation, the Settlement, their right to exclude themselves from the Settlement, their right to object to the Settlement or any part thereof, and their right to appear at the Final Fairness Hearing; (c) was reasonable and constituted due, adequate, and sufficient notice to all persons and entities entitled to such notice; and (d) met all applicable requirements of the Oklahoma Rules of Civil Procedure, the Due Process Clause of the United States Constitution, the Due Process

protections of the State of Oklahoma, and any other applicable law. Therefore, the Court approves the form, manner, and content of the Notices used by the Parties. The Court further finds that all Class Members have been afforded a reasonable opportunity to request exclusion from the Settlement Class or object to the Settlement.

8. Pursuant to and in accordance with OKLA. STAT. tit. 12, § 2023, the Settlement, including, without limitation, the consideration paid by Defendant, the covenants not to sue, the releases, and the dismissal with prejudice of the Released Claims against the Released Parties as set forth in the Settlement Agreement, is finally approved as fair, reasonable and adequate and in the best interests of the Settlement Class. The Settlement Agreement was entered into between the Parties at arm's-length and in good faith after substantial negotiations free of collusion. The Settlement fairly reflects the complexity of the Claims, the duration of the Litigation, the extent of discovery, and the balance between the benefits the Settlement provides to the Settlement Class and the risk, cost, and uncertainty associated with further litigation and trial. Serious questions of law and fact remain contested between the parties. The Settlement provides a means of gaining immediate valuable and reasonable compensation and forecloses the prospect of uncertain results after many more months or years of additional discovery and litigation. The considered judgment of the Parties, aided by experienced legal counsel, supports the Settlement.

9. By agreeing to settle the Litigation, Defendant does not admit, and instead specifically denies, that the Litigation could have otherwise been properly maintained as a contested class action, and specifically denies any and all wrongdoing and liability to the Settlement Class, Class Representative, and Class Counsel.

10. The Litigation and Released Claims are dismissed with prejudice as to the Released Parties. All Class Members who have not validly and timely submitted a Request for Exclusion to the Settlement Administrator as directed in the Notice of Settlement and Preliminary Approval

Order (a) are hereby deemed to have finally, fully, and forever conclusively released, relinquished, and discharged all of the Released Claims against the Released Parties, and (b) are barred and permanently enjoined from, directly or indirectly, on any Class Member's behalf or through others, suing, instigating, instituting, or asserting against the Released Parties any claims or actions on or concerning the Released Claims. Neither Party will bear the other's Party's litigation costs, costs of court, or attorney's fees.

11. The Court also approves the efforts and activities of the Settlement Administrator in assisting with certain aspects of the administration of the Settlement and directs it to continue to assist Class Representative in completing the administration and distribution of the Settlement in accordance with the Settlement Agreement, this Judgment, any Plan of Allocation approved by the Court, and the Court's other orders.

12. Nothing in this Judgment shall bar any action or claim by Class Representative or Defendant to enforce or effectuate the terms of the Settlement Agreement or this Judgment.

13. The Settlement Administrator is directed to refund to Defendant the portions of the Net Settlement Fund under the Initial Plan of Allocation attributable to Class Members who timely and properly submitted a Request for Exclusion or who were otherwise excluded from the Settlement Class by order of the Court in accordance with the terms and process of the Settlement Agreement.

14. Entering into or carrying out the Settlement Agreement, and any negotiations or proceedings related thereto, and the Settlement Agreement itself, are not, and shall not be construed as, or deemed to be evidence of, an admission or concession by any of the Parties to the Settlement Agreement. Further, this Judgment shall not give rise to any collateral estoppel effect as to the certifiability of any class in any other proceeding.

15. As separately set forth in detail in the Court's Plan of Allocation Order(s), the Allocation Methodology, the Plan of Allocation, and distribution of the Net Settlement Fund among Class Members who were not excluded from the Settlement Class by timely submitting a valid Request for Exclusion or other order of the Court are approved as fair, reasonable and adequate, and Class Counsel and the Settlement Administrator are directed to administer the Settlement in accordance with the Plan of Allocation Order(s) entered by the Court.

16. The Court finds that Class Representative, Defendant, and their Counsel have complied with the requirements of the Oklahoma Rules of Civil Procedure as to all proceedings and filings in this Litigation. The Court further finds that Class Representative and Class Counsel adequately represented the Settlement Class in entering into and implementing the Settlement.

17. Except as described in paragraph 6.19 of the Settlement Agreement, no Class Member shall have any claim against Defendant, Defendant's Counsel, Plaintiff, Plaintiff's Counsel, another Class Member, or the Settlement Administrator, or any of their respective designees or agents based on the distributions made substantially in accordance with the Settlement Agreement, the Court's Plan of Allocation Order(s), or other orders of the Court.

18. Any Class Member who receives a Distribution Check that he/she/it is not legally entitled to receive is hereby ordered to either (a) pay the appropriate portion(s) of the Distribution Check to the person(s) legally entitled to receive such portion(s) or (b) return the Distribution Check uncashed to the Settlement Administrator.

19. All matters regarding the administration of the Gross Settlement Fund and the taxation of funds in the Gross Settlement Fund or distributed by the Settlement Administrator or Class Counsel shall be handled in accordance with the Settlement Agreement, including distribution of Residual Unclaimed Funds to Defendant at the time and in the manner provided for in the Settlement Agreement.

20. Any order approving or modifying any Plan of Allocation Order, the application by Class Counsel for an award of Plaintiff's Attorneys' Fees or reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, or the request of Class Representative for a Case Contribution Award shall be handled in accordance with the Settlement Agreement and the documents referenced therein.

21. Without affecting the finality of this Judgment in any way, the Court (along with any appellate court with power to review the Court's orders and rulings in the Litigation) reserves exclusive and continuing jurisdiction to enter any orders as necessary to administer the Settlement Agreement, including jurisdiction to determine any issues relating to the payment and distribution of the Net Settlement Fund, and to enforce the Judgment.

22. In the event the Settlement is terminated as the result of a successful appeal of this Judgment or does not become Final and Non-Appealable in accordance with the terms of the Settlement Agreement for any reason whatsoever, then this Judgment and all orders previously entered in connection with the Settlement shall be rendered null and void and shall be vacated. The provisions of the Settlement Agreement relating to termination of the Settlement Agreement shall be complied with, including the refund of opt-out amounts to Defendant.

23. Without affecting the finality of this Judgment in any way, the Court (along with any appellate court with power to review the Court's orders and rulings in the Litigation) reserves exclusive and continuing jurisdiction to enter any orders as necessary to administer the Settlement Agreement, including jurisdiction to determine any issues relating to the payment and distribution of the Net Settlement Fund, to issue additional orders pertaining to, *inter alia*, Class Counsel's request for Plaintiff's Attorneys' Fees and reimbursement of reasonable Litigation Expenses and Administration, Notice, and Distribution Costs, and Class Representative's request for a Case Contribution Award, and to enforce this Judgment. Notwithstanding the Court's jurisdiction to

issue additional orders in this Litigation, this Judgment fully disposes of all claims as to Defendant and is therefore a final appealable judgment. The Court further hereby expressly directs the Clerk of the Court to file this Judgment as a final order and final judgment in this Litigation.

24. [IF OBJECTION(S) ARE MADE – ADDITIONAL LANGUAGE TO BE DETERMINED BASED ON OBJECTION(S)]

IT IS SO ORDERED this ___ day of _____, 2026.

A court authorized this Notice. This is not a solicitation from a lawyer.

***If you belong to the Settlement Class and this Settlement is approved,
your legal rights will be affected.***

Read this Notice carefully to see what your rights are in connection with this Settlement.¹

Defendant JMA Energy Company, L.L.C.’s (“Defendant” or “JMA Energy”) records show you are a royalty owner in Oklahoma well(s) for which JMA Energy remitted gas royalty proceeds. Capitalized terms not otherwise defined in this Notice shall have the meanings attributed to those terms in the Settlement Agreement referred to below and available at www.Kawulok-JMA.com.

This Notice generally explains the claims being asserted in the Litigation, summarizes the Settlement, and tells you about your rights to remain a Class Member or to timely and properly submit a Request for Exclusion (also known as an “opt out”) so that you will be excluded from the Settlement. This Notice provides information so you can decide what action you want to take with

¹ This Notice is a summary of the terms of the Settlement Agreement in this matter. Please refer to the Settlement Agreement for a complete description of the terms and provisions thereof. A copy of the Settlement Agreement is available for free at www.Kawulok-JMA.com. The terms, conditions, and definitions in the Settlement Agreement qualify this Notice in its entirety.

respect to the Settlement before the Court is asked to finally approve it. This Notice describes the lawsuit, the Settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

The Settlement Class in the Litigation consists of the following individuals and entities:

All non-excluded persons or entities who are or were royalty owners in Oklahoma wells who received gas royalty payments from JMA Energy for the Claim Period for the Class Wells operated by JMA Energy. The Class claims relate to the correctness and adequacy of royalty payments and/or non-payments for gas and its constituents produced in any form, including, but not limited to, residue gas, casinghead gas, natural gas liquids, helium, nitrogen, drip condensate, and gas used on or off the lease premises.

Excluded from the Settlement Class are: (1) JMA Energy, its affiliates, predecessors, members, employees, officers, and directors; (2) agencies, departments, or instrumentalities of the United States of America or the State of Oklahoma; (3) publicly traded oil and gas companies and their affiliates; (4) Charles David Nutley, Danny George, Dan McClure, Kelly McClure Callant, C. Benjamin Nutley, White River Royalties, LLC, and their relatives, affiliates, successors, and assigns; (5) the persons and entities identified on Exhibit 7; (6) persons or entities that Plaintiff's counsel may be prohibited from representing under Rule 1.7 of the Oklahoma Rules of Professional Conduct; (7) any Indian tribe as defined at 30 U.S.C. § 1702(4) or Indian allottee as defined at 30 U.S.C. § 1702(2); and (8) officers of the Court.

I. General Information About the Litigation

The Litigation seeks damages for Defendant's alleged underpayment of royalty on gas and gas constituents from Oklahoma oil and gas wells operated by Defendant from January 1, 2015, to and including May 31, 2025. Defendant expressly denies all allegations of wrongdoing or liability with respect to the claims and allegations in the Litigation but has agreed to the proposed Settlement to avoid the uncertainty, burden, and expense of continued litigation. The Court has made no determination with respect to the merits of any of the parties' claims or defenses. A more complete description of the Litigation, its status, and the rulings made in the Litigation are available in the pleadings and other papers maintained by the District Court for Hughes County, Oklahoma, in the file for the Litigation.

II. The Settlement, Plaintiff's Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, Case Contribution Award, and The Settlement Allocation and Distribution To The Settlement Class

On [Month] [Date], 2026, the Court preliminarily approved a Settlement in the Litigation between Plaintiff, on behalf of herself and the Settlement Class, and Defendant. This approval and this Notice are not an expression of opinion by the Court as to the merits of any of the claims or defenses asserted by any of the parties to the Litigation, or of whether the Court will ultimately approve the Settlement Agreement.

In settlement of Released Claims alleged in the Litigation, Defendant has agreed to pay One Million Eight Hundred Eight Thousand Five Hundred Dollars (\$1,808,500.00) in cash ("Gross Settlement Fund"). In exchange for this payment and other consideration outlined in the Settlement Agreement, the Settlement Class shall release the Released Claims (as defined in the Settlement Agreement available for review and download at www.Kawulok-JMA.com) against the Released Parties (as defined in the Settlement Agreement). The Gross Settlement Fund, less Plaintiff's Attorneys' Fees and Litigation Expenses and Administration, Notice, and Distribution Costs, Case Contribution Award, and any other costs approved by the Court (the "Net Settlement Fund"), will be distributed to final Settlement Class Members pursuant to the terms of the Settlement Agreement.

Class Counsel intends to seek an award of Plaintiff's Attorneys' Fees of not more than 40% of the Gross Settlement Fund based upon their hours committed to the Litigation. Co-Lead Class Counsel Reagan E. Bradford and Ryan K. Wilson of Bradford & Wilson PLLC and Additional Class Counsel Rex A. Sharp of Sharp Law, LLP have been litigating this case without any payment whatsoever for over five years, advancing expenses during this period. At the Final Fairness Hearing, Class Counsel will also seek reimbursement of the litigation and administration expenses incurred in connection with the prosecution of this Litigation and that will be incurred through final distribution of the Settlement, which is estimated to be approximately \$___,000.00. In addition, Plaintiff intends to seek a case contribution award for her representation of the Settlement Class, which total amount will not exceed 2% of the Gross Settlement Fund, to compensate Plaintiff for her time, expense, risk, and burden as serving as Class Representative.

The Court must approve the Allocation Methodology, which describes how the Settlement Administrator will allocate the Net Settlement Fund. The Net Settlement Fund will be distributed by the Settlement Administrator after the Effective Date of the Settlement. The Effective Date requires the exhaustion of any appeals, which may take a year or more after the entry of Judgment.

The Settlement may be terminated on several grounds, including if the Court does not approve or materially modifies the terms of the Settlement. If the Settlement is terminated, the Litigation will proceed as if the Settlement had not been reached.

This Notice does not and cannot set out all the terms of the Settlement Agreement, which is available for review at www.Kawulok-JMA.com. This website will eventually include this Notice, the Plan of Allocation, and Class Counsel's application for Plaintiff's Attorneys' Fees and Litigation Expenses and other costs. You may also receive information about the progress of the Settlement by visiting the website at www.Kawulok-JMA.com, or by contacting the Settlement Administrator at the address set forth above.

III. Class Settlement Fairness Hearing

The Final Fairness Hearing will be held on [Month] [Date], 2026, beginning at ___.m., at the District Court of Hughes County, Oklahoma. Please note that the date of the Fairness Hearing is subject to change without further notice. You should check with the Court and www.Kawulok-JMA.com to confirm no change to the date and time of the hearing has been made. At the Fairness Hearing, the Court will consider: (a) whether the Settlement is fair, reasonable, and adequate; (b) any timely and properly raised objections to the Settlement; (c) the Allocation Methodology; (d) the application for Plaintiff's Attorneys' Fees and Litigation Expenses and Administration, Notice, and Distribution Costs; and (e) the application for a Case Contribution Award for the Class Representative.

A CLASS MEMBER WHO WISHES TO PARTICIPATE IN THE SETTLEMENT AND DOES NOT SUBMIT A VALID REQUEST FOR EXCLUSION DOES NOT NEED TO APPEAR AT THE FINAL FAIRNESS HEARING OR TAKE ANY OTHER ACTION TO PARTICIPATE IN THE SETTLEMENT.

IV. What Are Your Options As A Class Member?

A. You Can Participate in the Class Settlement by Doing Nothing

By taking no action, your interests will be represented by Plaintiff as the Class Representative and Class Counsel. As a Class Member, you will be bound by the outcome of the Settlement, if finally approved by the Court. The Class Representative and Class Counsel believe that the Settlement is in the best interest of the Settlement Class, and, therefore, they intend to support the proposed Settlement at the Final Fairness Hearing. As a Class Member, if you are entitled to a distribution pursuant to the Allocation Methodology, you will receive your portion of the Net Settlement Fund, and you will be bound by the Settlement Agreement and all orders and judgments entered by the Court regarding the Settlement. If the Settlement is approved, unless you exclude yourself from the Settlement Class, neither you nor any other Releasing Party will be able to start a lawsuit or arbitration, continue a lawsuit or arbitration, or be part of any other lawsuit against any of the Released Parties based on any of the Released Claims.

B. You May Submit a Request for Exclusion to Opt-Out of the Settlement Class

If you do not wish to be a member of the Settlement Class, then you must exclude yourself from the Settlement Class by mailing a Request for Exclusion. All Requests for Exclusion must include: (i) the Class Member's name, address, telephone number, and notarized signature; (ii) a statement that the Class Member wishes to be excluded from the Settlement Class in *Kawulok v. JMA Energy Company, L.L.C.*, and (iii) a description of the Class Member's interest in any wells for which he/she/it has received gas royalty payments from Defendant, including the name, well number, county in which the well is located, and the owner identification number(s). Requests for Exclusion must be mailed by certified mail, return receipt requested, and received no later than 5 p.m. CT on [Month] [Date], 2026, as follows:

GOLDEN & NELSON, P.C.
521 East 2nd Street, Suite 1200

You must request exclusion even if you already have a pending case against any of the Released Parties based upon any Released Claims during the Claim Period. You cannot exclude yourself on the website, by telephone, facsimile, or by e-mail. If you validly request exclusion as described above, you will not receive any distribution from the Net Settlement Fund, you cannot object to the Settlement, and you will not have released any claim against the Released Parties. You will not be legally bound by anything that happens in the Litigation.

- C. You May Remain a Member of the Settlement Class, but Object to the Settlement, Allocation Methodology, Plan of Allocation, Plaintiff's Attorneys'**

Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, or Case Contribution Award

Any Class Member who wishes to object to the fairness, reasonableness, or adequacy of the Settlement, any term of the Settlement, the Allocation Methodology, the Plan of Allocation, the request for Plaintiff's Attorneys' Fees and Litigation Expenses and Administration, Notice, and Distribution Costs, or the request for Case Contribution Awards to Class Representatives may file an objection. An objector must file with the Court and serve upon Class Counsel and Defendant's Counsel a written objection containing the following: (a) a heading referring to *Kawulok v. JMA Energy Company, L.L.C.*, No. CJ-19-50, District Court for Hughes County, Oklahoma; (b) a statement as to whether the objector intends to appear at the Final Fairness Hearing, either in person or through counsel, and, if through counsel, counsel must be identified by name, address, and telephone number; (c) a detailed statement of the specific legal and factual basis for each and every objection; (d) a list of any witnesses the objector may call at the Final Fairness Hearing, together with a brief summary of each witness's expected testimony (to the extent the objector desires to offer expert testimony and/or an expert report, any such evidence must fully comply with the Oklahoma Rules of Civil Procedure, Oklahoma Rules of Evidence, and the Local Rules of the Court); (e) a list of and copies of any exhibits the objector may seek to use at the Final Fairness Hearing; (f) a list of any legal authority the objector may present at the Final Fairness Hearing; (g) the objector's name, current address, current telephone number, and all owner identification number(s) with Defendant; (h) the objector's signature executed before a Notary Public; (i) identification of the objector's interest in wells for which Defendant remitted royalty proceeds (by well name, payee well number, and county in which the well is located) during the Claim Period and identification of any payments by date of payment, date of production, and amount; and (j) if the objector is objecting to any portion of the Plaintiff's Attorneys' Fees or Litigation Expenses and Administration, Notice, and Distribution Costs, or Case Contribution Award sought by Class Representative or Class Counsel on the basis that the amounts requested are unreasonably high, the objector must specifically state the portion of such requests he/she/it believes is fair and reasonable and the portion that is not. Such written objections must be filed with the Court and served on Class Counsel and Defendant's Counsel, via certified mail return receipt requested, and received no later than 5 p.m. CT by [Month] [Date], 2026, at the addresses set forth above. Any Class Member that fails to timely file the written objection statement and provide the required information will not be permitted to present any objections at the Final Fairness Hearing. Your written objection must be timely filed with the Court at the address below:

UNLESS OTHERWISE ORDERED BY THE COURT, ANY SETTLEMENT CLASS MEMBER WHO DOES NOT OBJECT IN THE MANNER DESCRIBED HEREIN WILL BE DEEMED TO HAVE WAIVED ANY OBJECTION AND SHALL BE FOREVER FORECLOSED FROM MAKING ANY OBJECTION TO THE SETTLEMENT (OR ANY PART THEREOF) AND WILL NOT BE ALLOWED TO PRESENT ANY OBJECTIONS AT THE FINAL FAIRNESS HEARING.

D. You May Retain Your Own Attorney to Represent You at the Final Fairness Hearing

You have the right to retain your own attorney to represent you at the Final Fairness Hearing. If you retain separate counsel, you will be responsible to pay his or her fees and expenses out of your own pocket.

Exhibit 5

If You Have Received a Royalty Payment from JMA Energy for Gas Production from an Oil and Gas Well in Oklahoma, You Could Be a Part of a Proposed Class Action Settlement

The Settlement Class includes, subject to certain excluded persons or entities as detailed in the Settlement Agreement:

All non-excluded persons or entities who are or were royalty owners in Oklahoma wells who received gas royalty payments from JMA Energy for the Claim Period for the Class Wells operated by JMA Energy. The Class claims relate to the correctness and adequacy of royalty payments and/or non-payments for gas and its constituents produced in any form, including, but not limited to, residue gas, casinghead gas, natural gas liquids, helium, nitrogen, drip condensate, and gas used on or off the lease premises.

Excluded from the Settlement Class are: (1) JMA Energy, its affiliates, predecessors, members, employees, officers, and directors; (2) agencies, departments, or instrumentalities of the United States of America or the State of Oklahoma; (3) publicly traded oil and gas companies and their affiliates; (4) Charles David Nutley, Danny George, Dan McClure, Kelly McClure Callant, C. Benjamin Nutley, White River Royalties, LLC, and their relatives, affiliates, successors, and assigns; (5) the persons and entities identified on Exhibit 7; (6) persons or entities that Plaintiff's counsel may be prohibited from representing under Rule 1.7 of the Oklahoma Rules of Professional Conduct; (7) any Indian tribe as defined at 30 U.S.C. § 1702(4) or Indian allottee as defined at 30 U.S.C. § 1702(2); and (8) officers of the Court.

The Claim Period means checks, remittances, or payments to Settlement Class Members for royalty payments on natural gas or its constituents for the Class Wells from January 1, 2015, to and including May 31, 2025, subject to the terms of the Settlement Agreement regarding Released Claims. The Litigation seeks damages for Defendant's alleged underpayment of royalty on gas and gas constituents from Oklahoma oil and gas wells operated by Defendant from January 1, 2015, to and including May 31, 2025. Defendant expressly denies all allegations of wrongdoing or liability with respect to the claims and allegations in the Litigation. The Court did not decide which side is right. "Defendant" or "JMA Energy" means JMA Energy Company, L.L.C.

On [Month] [Date], 2026, the Court preliminarily approved a Settlement in which Defendant has agreed to pay One Million Eight Hundred Eight Thousand Five Hundred Dollars (\$1,808,500.00) in cash (the "Gross Settlement Fund"). From the Gross Settlement Fund, the Court may deduct Plaintiff's Attorneys' Fees and Litigation Expenses, a Case Contribution Award, and any settlement Administration, Notice, and Distribution Costs, or other expenses of the Litigation. The remainder of the fund (the "Net Settlement Fund") will be distributed to participating Class

Members as provided in the Settlement Agreement. Complete information on the benefits of the Settlement, including information on the distribution of the Net Settlement Fund, can be found in the Settlement Agreement posted on the website listed below. In exchange, Class Members will release Defendant and others identified in the Settlement Agreement from the claims described in the Settlement Agreement.

The attorneys and law firm who represent the Class as Class Counsel are Reagan E. Bradford and Ryan K. Wilson of Bradford & Wilson PLLC at Co-Lead Class Counsel and Rex A. Sharp of Sharp Law, LLP as Additional Class Counsel. You may hire your own attorney, if you wish. However, you will be responsible for that attorney's fees and expenses.

At the Hearing, the Court will consider whether the proposed Settlement is fair, reasonable, and adequate.
