distribution order to disburse the Net Settlement Fund to Class Members. This Motion seeks that approval.

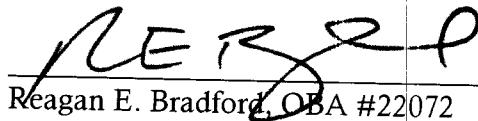

3. Class Representative has calculated a Final Plan of Allocation that takes into account the Gross Settlement Fund (\$1,808,500.00), plus accrued interest while on deposit with the Settlement Administrator, and subtracts the amounts awarded in the Fee and Expense Order and the amounts attributable to the approved Request for Exclusion.

4. The result is Class Representative's proposed Final Plan of Allocation, which is attached to this Motion as **Exhibit 1**.

5. The proposed Final Plan of Allocation shows the proportionate settlement payments to be made to Class Members in accordance with the Allocation Methodology previously approved by the Court.

6. Upon the Court's approval, the distributions set out in the Final Plan of Allocation will be made to Class Members in accordance with the Orders and the Settlement Agreement.
